Sir,

1 With reference to your Memo. of the
25th Ultimo requesting me to state from what cause
Parakel Kondi Menon was out of employ from July 1835
to March 1836 and also to give similar information res-
pecting the break in 1839-40, I have the honor to state
that it appears from the Record of the late Epila Court
that he was suspended and subsequently dismissed in
July 1835 upon a charge brought against him by the Pundit
Sads Anin of abstracting and obliterating certain documents
from the Court but the late Western Provincial Court on appeal
by Kondi Menon directed his reinstatement in March 1836.
His suspension and dismissal in 1839 by the Epila Judge was
for neglect of duty. In this instance also he was ordered
upon Appeal to be likewise reinstated.

2 I subjoin an Extract from the concluding
para of the order of the Provincial Court directing his reinstatement
11. "The Court considering that Kondi Menon has been discharged
"on insufficient grounds directs that the Epila Judge do restore
"him to his office."
