and growing information.

4 The date proposed from which the pension should be granted is the 31st proximo, and his services have been calculated up to that date.

From the 1st January 1858 to the present time his salary has been R^o 30 per mensem, previous to that date it was R^o 14 per mensem, so that under para 122 Chapter III of the Civil Auditor's Manual he is entitled to a pension of R^o 8 per mensem, as his services have been continuous from the 1st June 1832 and comprise a period of 28 years and 10 months.

He is anxious to be permitted to serve for 14 months longer as he would then be entitled to a pension of R^o 14, but he is really permanently disqualified for further employment. I cannot therefore comply with his request, but I would suggest that a compromise should be made and that R^o 11 should be the amount of pension awarded him.

His general character, is represented to
have been good, but for the last three
years he does not, on account of old
age and infirmities, appear to have
given entire satisfaction in the performance
of his duty.

The Civil Surgeon at
Dombaconum now certifies that
Venkatachella Pillay is "permanently
physically disqualified for further
active service in the D.P.W., owing
to old age and bodily infirmities,
not occasioned by intemperance or
other irregular habits", and under these
circumstances I have the honor to
request that, agreeably with the District
Engineer's recommendation, Venkatachella
Pillay, Sub Overseer 2nd Class 2nd Grade
Tanjore District, be granted a Pension

Monthly salary he has drawn during
the last five years.

4 Venkatachella Pillay's request to
be allowed to serve in the P.W.D. a further
period of 14 months to entitle him to a
higher rate of pension cannot, of course,
be complied with, neither can the suggestion
of Captain Baker that the pension
shall be increased to 11 Rupees be
acted upon, both arrangements being
contrary to the rules of the Service.
