I certify I have this day examined Paduttu-
vittil Kundy Menon, District Munsif of Tenali-

He is a strenuous subject, and, his sight being
defective, ascribable in no way to intemperance or
irregular habits, I consider he is now unfit for
further employment in the public service.

Extract from the Proceedings of the Foujdaree Udaltah
under date the 28th April 1840.

Read return dated 2nd and Supplemental
return dated 13th April 1840 from the 2^d Judge on Circuit
in the Western Division, to the precept of the Court of
Foujdari Udaltah of the 18th March last, conveying
their observations in Case No. 1 on the Cahient Calender
for the 1st Session of 1840, and directing that the Crimi-
nal Judge of Malabar be instructed to report the
result of the inquiry held by him in conformity
with the orders of the Court of Circuit into the conduct
of the Gomastah Padatoo Vittil Kandy Menon.

1. From the information now submitted by the
2^d Judge, it appears that the Criminal Judge of
Malabar has been unable to obtain any further
evidence against the Gomastah Padatoo Vittil Kandy
Menon.

2. But, altho' there is no legal evidence
against him the Criminal Judge from a view
of the whole matter is still of opinion that there
is a considerable degree of presumptive evidence
against Kandy Menon, and that his conduct has
given rise to suspicion of his integrity which
prevents the Criminal Judge from recommending
his restoration to an office of so much trust and
responsibility as the one he lately held.

3. The Court of Foujdari Udaltah
are of opinion that there is no proof whatever
of the charges brought against the Gomastah
