Belgaum 19th January 1861

Sir,

In reply to your letter No 27 dated
9th Instant, I have the honor to state, that the Pay
Abstracts &c of the Muzar establishment of this
Collectorate show that Hammant Rao Sepasik
drew from this Treasury a monthly salary of
Rupees 125 as Moonshie to the Political Agent
from 1st September 1836 to 15th May 1843, on which
latter date he was transferred to Bellary. They
further show that during that period he was ab-
sent on leave for two months and 17th days, from
1st October 1843, without pay.

2

The old records transferred from
Dharwar to Belgaum on the separation of
the two Collectorates, do not give a continuous
record of his services prior to 1st September 1836.
I have therefore to suggest your making another

government for a period of 48

reference to the Dharwar Collector on the sub-
ject, whose Treasury accounts will probably
supply you with the necessary information.

I have the honor to be,

Sir,

Your most obedient servant,

 6. Rammatha Rao has, during the long period of his services, extending as they do over nearly half a century, conducted himself satisfactorily, as the many testimonials in his possession will clearly show.
 His average salary per mensem calculated on the last 5 years of his services amounts to Rupees 131-6-4, and I beg to recommend that a superannuation pension equal to a moiety of his pay, viz: Rupees 65-11-0, be granted him from 3rd December 1860, he having retired on the 2nd of that month.
 7. The delay in submitting this application for pension is attributable to the necessity of a reference having been made to the Supernumerary 3rd Assistant in charge of the Bellary Collectorate, & to the Collector of Dharwar (copies of whose

replicas are herewith forwarded) for
the verification of the services of the Applicant
for pension, but this as it regards those prior
to September 1836 have not been verified
owing to the separation of the Dharwar &
Belgaum Collectorate, and to the records of
his services not being preserved. Acc. g. therefore,
I leave this matter for the consideration of
Government. I may also add that a reference
to the Civil Judge of Bellary on the same subject
attended with a similar result.
So far as it regards the service of the Applicant
for pension in the Mysore & Latur Comptrolr
and in the Court of the District Magistrate in

the 12.4.

CIVIL AUDITOR'S OFFICE:

General Department.

FORT SAINT GEORGE, 22nd April 1861.

No. 188.

REPORT OF THE CIVIL AUDITOR

on Government Order of the 12th April 1861.

The Civil Auditor has the honor to report that the authorized official allowance drawn by *Manumatha Rau* late *Tahsildar* on the Establishment of the *Collector of Bellary* has averaged for the last 5 years of his service, Rs. 131-2-8 per mensem, and that his service, qualifying for pension, extends over a continuous period of 14 years 1 month and 13 days; viz.

From 16th October 1846 to 23rd November 1860.

The time of 6 days occupied by the applicant in vacating his appointment at Dharwar and taking up his post at Bellary does, in the opinion of the Officiating Civil Auditor, constitute a break, as stated in Register.

The service previous to 23rd May 1845 in the Establishment of the Collector of Dharwar cannot be verified from the Records of this office.

That as *Gumashta* in the Courts of *Mafti* *Sadr amin* & District *Munsif* does not count towards pension, as those officers appointed their own establishments upon a fixed monthly allowance.

Assuming his service under the Collector of Dharwar to be correctly reported

He is entitled to a pension of half his average salary.
