Most truly Yours,

That your Petitioner served in the  
Government Office for about 25 years and 2 years  
in the Private Secretary's Office; during which time  
he was faithful and diligent in his duties as his  
Petitioner's piece. (On the 15th August last 1860  
your Petitioner had been to a village called Little  
Lugie, which is about 40 miles distant from South  
Acre, on Friday last of 15 days and on Sunday  
substitute, unfortunately your Petitioner had been  
attacked with dysentery, which caused him great  
weakness and great inability to work, which from  
suspecting himself whether his statement  
with be considered upon or not, he forwarded a letter  
to Mr. Hill enclosing in it a note of his sickness.

P.H.

being true from the Village Messiff of the place.  
Mr. having accepted his letter told him when  
attended upon his duty to his greatest mis-  
fortune, that he lost his situation and that  
his services are no more required. At the time  
when he attended upon your honor you have been  
so much pleased as to grant him a Resurrec-  
tion. He told the Chief Secretary to Government  
to his greatest consolation; having got a reply from  
him that he would look after him when vacancy  
occurs. When your Petitioner has been subsequently  
to your honor with a view to reveal his distressed  
matter your honor has been so compassionate of  
him and told the Deputy Manager that  
he would take his matter into your consideration  
and give him something for months; but then he  
has not been favored by your honor, nor he was  
called upon by the Chief Secretary to Government.  
As your Petitioner feels great uneasiness, if  
walked along the harts of his fingers, which  
will be evident to your honor on seeing him.  
Consequently he requests your honor will be good  
enough as to have him granted with a donation  
which is solely depending on your protection.  
As for this distressed a time, he will be greatly  
satisfied even if he is allowed at least with  
six months pay. If your honor is aware of a  
Doctor to certify he is ready to produce if required  
on granting him an endorsement on his  
Petition for granting him the donation  
required
