2 A Certificate showing the appoint-  
 ments held by Baba Raw is enclosed, this  
 does not bear the Collector's Signature, but it  
 has been verified by him, and the alterations made  
 in red ink were made by him, and when returned  
 for his Signature, he stated that his Signature  
 was not required.

3 The Sub Overseer's general Character and Conduct  
 have been good throughout his Service, his  
 shortcomings as a Sub Overseer being due to  
 the fact of his having been placed in the new

Enclosure 4. Sir,

- 1. Register of applicants  
for Superannuation Pension
- 1. Statement of Services
- 1. Medical Certificate

I have the honor to submit for the favorable consideration and orders of Government the accompanying letter and papers, as per margin, from the District Engineer of Tanjore relative to the grant of a Superannuation Pension to Babu Ravi, a Sub Overseer 2<sup>d</sup> Class 3<sup>d</sup> Grade of the Public Works Department in that District.

2. Babu Ravi entered the public service as a Dawastannam Gamastah in April 1828 on a monthly salary of 10<sup>1</sup>/<sub>2</sub> Rupees, subsequently he was appointed at different periods

periods Kuzoor Gumatata and Maramut, and Revenue Gumatata, and in January 1858 he obtained his present appointment of Sub Overseer 2<sup>d</sup> class 3<sup>d</sup> grade, on a salary of 25 Rupees a month. His services (33 years) have been continuous, and throughout the same, his general character and conduct is stated to have been good. He does not, however, appear to have given satisfaction as a Sub Overseer owing, Captain Oakes reports, to his advanced age when appointed to that situation, and the want of previous training.

3. Babu Ravi is now certified by the Zillah Surgeon at Combaumun to be permanently physically disqualified "for further active service in the Public Works Department, owing to old age and bodily infirmities not occasioned by intemperance or other irregular habits," and accordingly recommend that he be granted a Pension of Rupees 11-12-9, equal to one half of the average salary, which he has drawn monthly during the last five years, from

39 months at 25 Rupees  
21 80 at 21 -

from the date on which the same may be sanctioned by Government.

4. The course adopted by Captain Oakes in relieving Babu Ravi from duty on the 5<sup>th</sup> March 1861, in anticipation of his Pension being granted, was irregular, and contrary to the orders of Government, communicated in Extract Minutes Consultation No. 330, dated 24<sup>th</sup> November 1859, which distinctly direct that pending the sanction of Government to an application for "good service" Pension the servant recommended for the privilege shall retain his appointment. a rule which must also be considered as applying to a case like that of Babu Ravi, as under the orders of Government quoted in Para 131 Chapter III of the Civil Auditor's Manual, no application for Pension on behalf of an individual can be entertained after he has quitted the public service, and of this the District Engineer of Tanjore has been informed.

CIVIL AUDITOR'S OFFICE:

FORT SAINT GEORGE, 10<sup>th</sup> May 1861.

No. 183

REPORT OF THE CIVIL AUDITOR  
on Government Order of the 22<sup>nd</sup> April 1861.

The Civil Auditor has the honor to report that the authorized official allowance drawn by *Babu Rao* ———— late *Sub. Overseer 2<sup>nd</sup> Class 3<sup>rd</sup> Grade* on the Establishment of the *District Engineer of Tanjore* has averaged for the last 5 years of his service, Rs. 23-9-7 per mensem, and that his service, qualifying for pension, extends over a continuous period of 32 years 11 months and 7 days; Viz.

From 25<sup>th</sup> April 1828 to 31<sup>st</sup> March 1861.

The Chief Engineer appears to have mistaken the meaning of the term 'good service pension'. As the application was supported by a Medical Certificate of unfitness the District Engineer was right in relieving the Sub Overseer from duty at once.

He is entitled to a pension of half his average salary.
