To,

Vemulapati Vissaya Assistant Tahasi
of the Talug of Talamanchi.

Your Arzi of the 6th, No 2, communicating your reasons for Manufacturing 100 Garces of Salt in excess of the 400 Gar ordered, whilst you were as Superintendent of the Kristnapatnam Division in Fasli 1245, has been received. — You were originally ordered to Manufacture only 400 Garces of Salt; but on your intimating in your Arzi of the 7th April No 167, that 30 Garces in excess of the 400 ordered were Manufactured you were directed to store the additional quantity with the estimated heaps, and informed that there should not be any more excess in addition to the 30 Garces. But on observing the quantity of Salt Stored, 500

Garces

Garces appear to have been manufactured. As you had Manufactured 100 Garces of Salt in excess of the 400 ordered, and as it appears that you were fully aware that there was this excess to the limited quantity ordered, it is evident that you have in disobedience to my 2d order, and with an evil intent; combined with the ryots and collected a greater quantity than that ordered. You are therefore considered unfit to remain in the Government Service & dismissed from this date. You should deliver charge to the Tahaseldar & obtain his receipt.
