To

Chief Secretary to Government

Sir,

1. As directed in para 3 order of Govern-
ment dated 22nd May 1861 No 183, Pension
Department, I have the honor to state that
there is no objection to T. Narraim Row &
continuing to serve in his late post, and
that he is willing to do so. His previous
retirement having been in some measure
compulsory.

2. His health is much improved
since last year, when it was so much
impaired as to lead to a doubt of his being
able to complete his full service, and tho
not capable at his age of fulfilling the
more stirring duties of a Tahsildar, I
consider that if his health continues he
is quite competent to go on with his late
duties.

I

3.

I think it necessary, however, to point out that the financial gain to Government by requiring V. Narraia Row to complete his full service is only Rs. 12. 8. per month as the newly appointed officer draws only Rupees 100 per month which with V. Narraia Row's pension at Rs 87. 8. is only Rs 12. 8. more than Rs 175, which Government authorised to be drawn until the completion of full service in cases similar to V. Narraia Row's.
