To
The Chief Secretary to Government.

Dr.

I beg most respectfully to bring the following unfortu-
 nate circumstance to your notice and trust that you will be
 so good as to lay it before His Excellency the Governor in
 Council for his favorable consideration.

2. I was formerly a Subordinate in the Medical Service for the space of $10\frac{1}{2}$ years. three of which were spent in attending the College and the remaining $7\frac{1}{2}$ as a Second Professor. Owing to the gradual decay of my health, I was induced to resign the service in the latter part of 1858. Among the enclosures will be found Dr. Hedges letter to the Director Genl Medical Deptt. dated 27th November 1858. No. 224 in which he states the circumstance which necessitated my applying for discharge.

3. They to state that my ill health and debility above referred to, were solely caused by the harassing duties of the service, having been removed from one station to another in the unhealthy parts of Southern India and exposed to all sorts of vicissitudes and changes of climate. Latterly, I was posted to the tailgherries in which locality I served for nearly a period of 5 years constantly travelling from village to village. Epidemics prevailed since this time my health completely failed, so that I was obliged to take sick.

Sick leave for recruiting my health and finally com-
pelled to throw up my appointment in the Med. Service.

4 I have since however much improved in +
health and am now employed in the Accountant
General's Office as a Clerk. It may be observed from
the accompanying enclosure that I have always borne
a very good character in the Medical Service and
that my disconnection was not owing to any fault
or negligence in the discharge of its duties which
I endeavoured to conduct to the satisfaction of
my immediate superiors but solely and altogether
impaired as already stated by exposure to different
climates unsuited to my Constitution.

5. The object of this petition is to solicit
that His Excellency the Governor in Council will
be pleased to authorize the admission of my past
service as 2^d Surgeon viz. 7 1/2 years to account
for Pension for which act of kindness I will
cease to pray.

I beg to remain
Sir,

Your obedient and humble servant
V. Christian.

Sir, I have the honor to forward a second
letter from - second District Christian requesting
permission to resign the service.

absent from sickness so much so that had he
not applied for his discharge it was my intention
to have brought him as inefficient from constant
ill health.
