11<sup>th</sup> July 1861.

To W. Waterfield Esq<sup>r</sup>  
Civil Engineer  
p. p. p.

Sir, I beg leave respectfully to submit  
the following circumstances for your  
Kind Consideration.

As I had spent upwards of  
21 Years in the Service of Government in  
the Accountant General's Office at home,  
I felt that I was unfitted for further  
service and therefore expressed more  
than two months ago a desire to be  
recommended for a Superannuation  
Pension, but as at this time the transfer  
of the Revenue Branch from the Accts  
Genl's to the Civil Eng<sup>r</sup>'s Office had  
been determined upon, and it was  
found necessary for me to join that  
Department, I was asked to continue a  
little longer in it in the New Office.  
Finding however that my health and  
strength are failing me, I beg to solicit  
your permission to submit a Medical  
Certificate with the hope of receiving

Yours

your favorable recommendation to Gov.  
for a Supernumerary Pension to Com-  
mence from the 18<sup>th</sup> Instant. -

It is not frequent that Public  
Servants are forced to apply for the  
reduced pensionary grant allowed  
for the shorter period of service, whereby  
they forfeit the higher advantage held  
out for longer service, but I am reduced  
to this alternative because of my vision  
having been much impaired chiefly  
from close confinement to Account  
duties, and besides this I have had lately  
several attacks of illness from Rheumatism  
which has enfeebled my general state  
of health. -

In addition to the ordinary  
duties which I had to discharge, additional  
work devolved on me for a long period -  
Ever since February 1889 almost up  
to the transfer of the Revenue Branch to  
the Office, and this became necessary  
because of the several temporary as-  
sistants to which were made in the  
Source and Account Branches of the  
Financial Department of the Accountant  
General's Office. - The additional duties  
required

3/  
required no ordinary exertion on my  
part as all my leisure hours had to  
be devoted to its fulfilment. -

These have operated in a great measure  
in still further weakening my health  
and I fear that I cannot any longer  
continue to give such assistance in the  
discharge of my duties as will be re-  
quired of me. - I therefore solicit the  
favor of your granting the request made  
by me, for which I shall feel grateful. -

I beg leave to remain

Sir,

Your Obedt. Servant

J. D. Rance

This is to certify that I have examined Mr. J. D. Rozario an assistant in the Civil Paymaster's office, and find that he is unfit for further service in consequence of amaurosis of both eyes, the right being the worst of the two, and so far as I have been able to ascertain, his incapacity has not been produced by intemperance or other irregular habits.
