I

I do hereby certify that Sadune  
Timmazi, Head Maclatgan of the Taluk  
of (late) Kavaravani, is incapacitated  
for the performance of his duties.

He is suffering from Asthma  
and general debility, which does not ap-  
pear to have been produced by intemperance  
or other irregular habits, and I am of  
opinion that no permanent benefit is  
likely to result from medical treatment,  
or relaxation from duties, so as to render him  
again an efficient Government servant,  
and that he is therefore a fit object for  
a superannuation pension.
