Madras.

Sir,

In forwarding herewith a List of old and faithful Peons, Duffadars, &c., who have been thrown out of employ in this District, by the recent revision of Establishments and the introduction of the new Police, I have the honor to request that you will be good enough to bring their case to the notice of Government, with a view to the small gratuities recommended and entered in the list opposite each man's name, being sanctioned.

2. I beg to state that each of these men has served Government for upwards of 20 years. Their advanced age and infirmity would in many instances preclude their reintertainment in the service, if opportunity of employing them offered.

3. I believe that the name of no person whose relations have been provided for, or whose circumstances are such as to secure the means of support, has been submitted.

4. I beg to add that the total sum which I propose to disburse to these

these Peons, amounts to Rupees 3021.

I have the honor to be,

Sir,

Your most obed^t Serv^t,

31st July 1861 No. 263

The Collector of North Arcot
submits, with his letter, a list
comprising the names of 98
individuals who have been
thrown out of employment
as Peons, Duffdars, &c. conse-
quent on the revision of
Establishments in the District,

Will
Be

and the introduction of the
new Police force.

2. The Collector states that, while
each of these men has served
for a term of upwards of 20 years,
the infirmities & advanced age
of many would preclude their
re-employment should oppor-
tunities hereafter arise.

He also believes that no person
has been recommended for pen-
sion by those relations have been
provided for, or whose circum-
stances are such as to afford them
means of support.

3. The Civil Registry is not
furnished by the Ministry of Depart-
ments with the lists of the

names of persons employed
in the Public service, and he
is consequently unable to
verify the services of the men
now recommended by Mr. Fisher
for pension. He observes however
that, assuming the period of ser-
vice given by the Collector to
be correct, the individuals en-
tered in his list are enti-
tled to the pensions specially
specified opposite their names.

4. The total sum the Collector
proposes to disburse to these
men is Rs. 3,021, and the
Government observe that
the amount of pension re-
commended for each man
is calculated at the rate

of 6 months salary, being the
largest amount contemplated
under any circumstances by the
Civil Union & gratuity ^{can} be

The Government ~~will not~~
^{but hesitates to} ~~prepared~~ to sanction so large
an outlay, which has not
been found necessary in
other districts.

5. They ^{must think} ~~are of opinion~~ that
many of the men who are
included in the list now
submitted by the Collector
will be found capable
of doing further service,
if not in the Police, at any
rate as ~~temporary~~ ~~Reserve~~
in miscellaneous duty

to serve notices.

6. The Government resolves there-
fore to return the list to
the Collector who will revise
^{and return} it with reference to the pre-
vious remarks, and return
it after having perused the
answers of those men whom he
^{after personal inspection} may consider capable of
doing service if re-employed.

7. Government will then be
prepared to consider the
question of the gratuity to
be granted to the ~~remainder~~.
When forwarding his revised
list the Collector will spec-
ify the age of each indi-
vidual, and whether he

has, at the ^{present} time, any relation
to the public service
