Tanjore Collectors Office
Point Calimere 21st June 1861

From W. W. Cadell Esquire

Collector of Tanjore

To E. Pycroft Esquire

Chief Secretary to Government

Fort Saint George.

Sir,

I have the honor to forward herewith
an application in the prescribed form, for Super-
annuation Pension in the case of eight individuals

also who were thrown out of employment in the
general reduction of Establishment lately effected
in this District under the orders of Government
dated 11th April 1860, No. 555.

2 These parties have not submitted the
usual medical certificates, but as, in each case, their
services extend over a period of upwards of 30 years,
I have not thought it necessary to require their
production, more especially with reference to the
order of Government dated 3rd November 1860, No. 2443.

3 A detailed list of the services of each
is herein enclosed and looking to their advanced
years

years and to the fact that they cannot be expected to render further efficient service, I beg to recommend that Pensions be granted to them at the usual rate from 1st July, 1860, the date on which their services ceased.

4 On referring to the detailed list of Service of * Mr. Krishna Rao, it will be seen that the period of his actual service is 30 years 9 months and 3 days, but if the period of his temporary service be deducted therefrom, there is a deficit of 24 days to complete his full service of 30 years. His services having, however, been dispensed with in the general reduction of Establishment, I beg to recommend that he may be granted a Pension at the same rate as in the case of those who have completed the full service of 30 years.

5 On referring to the lists of services of Venkatayhari Aiar, Shonda Rao and Subba Rao (Nos 3.6 and 7) it will also be seen that they were, at one time, dismissed for misconduct and subsequently re-admitted to employment, their services previous to such re-employment cannot, therefore, I presume, according to Rule, be allowed to count for Pensions, but as their services have been dispensed with

under

under special orders, perhaps the Government may not be disinclined to view their cases as special and exceptional ones.

I have the honor to be
