(No 94)

From

C. F. Channier Esq.

Registrar of the
Sudder Court.

To,

W. S. Whiteside Esq.

Acting Deputy Secretary
to Government.

Sir,

I am directed by the Judges
to state, with reference to the Proceed-
ings of Government dated 22^d August 1858,
that, under the terms of Section XI of
the Civil Pension and Gratuity Rules,
the application of the Principal Sudder
Ameen for a Pension appears to have
been rightly submitted direct to Gov-
ernment by the Head of his Office,
the Civil Judge. In Extract from
the Minutes of Consultation, dated
11th August 1858, this course was
prescribed.

For Orders.

In the case of a
Principal Sudder
Ameen - who is an
independent judicial
Officer of position -
the Sudder Court sh^d
be consulted, I
think.

prescribed even in the case of gratuities,
in which there seems to be more room
for recommendation than in that of
pensions.

2. Pensions being granted by
the Government according to certain fixed
rules, the Judges are not aware on what
point their opinion is required.

Sudder Court, I have the honor to be,

in consideration of his
long and faithful service,
extending over a period of
upwards of 35 years.

2. The civil judge records in
high terms of approval his
opinion of the manner in
which Mr. Jordan has con-
tinued to discharge his of-
ficial duties during his
residence at Springfield,
and he also forwarded three
copies of extracts of diary
orders passed by the judges
of the late Provincial Court
Southern Division, which
fully corroborate his
own

own favorable remarks

3. The Civil Judge reports
that Mr. Jordan was received
35.4.2 service qualifying
for Pension, and that he
is entitled to a Pension of
half his salary.

4. The Government resolves, in
accordance with their obliga-
-tion, No 186 dated the 25th of
July 1854 to grant to
Mr. Jordan a good service
Pension of half his salary,
or \$250 per annum as
a reward for his long and
faithful services. -

5. The judges of the Sudb Court
will be informed that

Cent. N. 2665

their opinion was reported upon the claims and merit of his pardon inasmuch as his application was for a good Service Pension, and not for one of the ordinary description. —

Moreover the Government
considered that Sec. XI
of the Civil Revision and
Pratutory Rules ^{does} ~~do~~ not
properly apply to the
case of an Officer hold-
ing the responsible and
independent position

of Principal Lord Sumner,
and that, consequently,

his application should
be transmitted with the
recommendation, or re-
marks, of the highest
Court ^{of the Presidency} ~~under~~ ~~which~~ ~~he~~
~~had served~~.
