Tanjore Collector's Office
Point Calimere 6th July 1861.

From W. M. Cadell Esquire
Collector of Tanjore

To T. Pycroft Esquire
Chief Secretary to Government
Fort Saint George

Sir,

I have the honor to submit an application in the prescribed form, for the grant of superannuation pensions to the 3 individuals noted in the margin, and who were thrown out of employ during the late revision of Revenue Establishments.

1 Narasima Rau
2 Nagaraja Pandit
3 Gundappa

2 The 1st of the applicants, Narasima Rau was Tasildar of Shialli; the total period of his service amounts to 35 years, but as he was once dismissed from duty when employed as assistant Sherishtadar in the Collector's Office, the whole period of his service preceding the date of dismissal, viz 10th July 1835, and which amounted to 13 years has, in accordance with the Pension rules, been excluded; the remainder of his service therefore amounts only to 21 years 11 months and 26 days. Considering, however, the long and faithful services of this individual

especially

especially in the important position of Tasildar and which post he held (though not uninterruptedly) for 23 years, I trust the Government will not object to grant him 1/3 Pension to which the reduced amount of his service entitles him.

3 The total period of Nārāina Rau's service being upwards of 30 years as mentioned above the prescribed medical certificate has, under the authority conveyed in the circular marginally noted, been dispensed with.

Bd. Ci., 18th Novr. 61/5216

4 The 2d applicant, Tiāgarāja Pandit, was a Gumāsta in the Sub Collector's Office and the period of his service amounts to 29 years, 10 months and 20 days, which, by the exclusion according to the Pension rules of the service rendered when employed on a salary of Rupees 10 per mensem, is reduced to 29 years and 5 months. Tiāgarāja Pandit was charged with the receipt and disbursement of all monies in the Sub Collector's Office for a long series of years and his character for integrity as also his ability as an accountant have all along been fully recognized. Under these circumstances and considering

that

that his service is short of the period required to entitle him to ½ Pension by only 7 months, I would take leave to recommend that, as a special case, Government will be pleased to grant him a pension equal to ½ of the salary which he has drawn for a period of nearly 20 years. The medical certificate produced by this applicant is herewith enclosed.

5 The case of the third applicant, Gundappa, does not require any particular notice. In his case also, as in the case of the 1st applicant, the medical certificate has been dispensed with, as the total period of his service amounts to 30 years 10 months and 8 days, which, however, by excluding his service on a salary of Rupees 10, is reduced to 26 years 11 months, thus entitling him only to ⅓d Pension, and which is accordingly recommended to be granted him.–

I have the honor to be
Sir

Read letters from the Collector of Tanjore

Here enter 6th July and 14th August 1861

Order thereon 7th Sept 1861 No. 306

With the former of these letters the Collector of Tanjore forwards applications for Pension from 3 members of his Establishment who have been thrown out of employ consequent upon the reductions of Establishment recently carried out.

In the latter he replies to the requisition that had been made to him in the cases of two of the three individuals for the usual medical certificate of unfitness for further duty. –

2. The Government resolve to grant to Narayana Rao,+ and Tiagaraja ⊙ Mudelliar a Pension of one third their respective salaries, to which the Civil Pay master reports them entitled by length of service. –

+ Rs. 34 - - - } C. No. 2668.

⊙ Rs. 5-12 - } C. No. 2669.

3 As regards the 3rd individual, "Sandappa" the Collector states that the Zillah Surgeon has declined to furnish him with a Medical

certificate as, though old, he considers him fit for the performance of ordinary office business.–

The Civil Paymaster reports that Gundappa can only reckon 26^{y}-11^{m}-9^{d} as service qualifying for Pension under the Rules, and, as the Order of Government No 532 of the 26th October 1860 requires a service of 30 years to enable individuals thrown out of employ to obtain Pension without the production of a medical certificate, the Government are pre-

-cluded at present from granting to Pandappa for his services a larger re-muneration than a gratuity of 6 months salary.-

5. They observe however that he has always held subordi-nate and lowly paid appoint-ments, and as the Zillah Surgeon has certified his fitness for further employ-ment they are of opinion that the Collector should appoint him to some unimportant situation where he may serve the remaining three years

that will qualify him
for a Pension of half salary
