I do hereby Certify that, I have
carefully examined Annaswela Mudaly
late Head shroff of Trivalar Taluq, and am
of Opinion that, from old age and bodily
infirmity he is permanently disqualified
for further Active Service, and that, there
is no likelihood of his deriving any benefit
from relaxation from duty for a period
of twelve months.

I am further of Opinion that, his
present state of infirmity is the result
of natural Causes & not of any indiscretion
of his own.

I do hereby certify that I have examined
Gondaba Jimbitha, late Muzimbar of
Manungoody Taluk, in the Collector's De-
partment of Tanjore, and I consider
him to be permanently physically dis-
qualified from all age and infirmity
for any employment in which much
bodily activity would be required. altho-
ugh he appears capable of performing
any light office work.

Janyor Collector's Office 31

Calcutta 28th August 1861

From N. M. Cadell Esquire
Collector of Janyor

To J. J. Pycroft Esquire
Chief Secretary to Government
Fort Saint George

Sir,

Pension Dept-

As directed in the Proceedings of
Government under date the 2nd instant, No 266,
I have the honor to submit two medical certificates
in behalf of Gundopandit and Annichela him-
self therein referred to.

2 From the certificate given by the Lilla
Surgeon to Gundopandit, the Government will ob-
serve that that officer considers that individual
to be still "capable of performing any light office
"work" though in his opinion Gundopandit is per-
"manently physically disqualified from old age
"and infirmity for any employment in which much
"bodily activity would be required." It will, how-
ever, be seen from the information which has
already been laid before Government regarding
the case of this applicant, that he is now aged
upwards of 64 years and that his service extends

over

over a period of nearly 42 years. His mental faculties have been so much exhausted in the course of his prolonged employment in the Public Service that I have no hesitation in stating that it would be neither to the advantage of the Public Service or fair indeed to the individual, to place him again in any situation in which the office work was "very light" were such situations now available. In the late reduction of Revenue Establishments provision has, however, not been made for any such situations and looking to the age of the individual and his lengthened services, I would respectfully submit that the case of Gundopandit is eminently one in which, should the Government think fit, the discretionary power vested in them by the orders marginally noted may be exercised.

3 The Government will, I trust, allow that it would be very hard to turn out an individual without any means of subsistence, after a faithful service of nearly 42 years, and 14 years of which have

141
have been spent in filling the responsible
office of a Taluk Mussamdar.-

I have the honor to be

The Collector of Sargur sub-
mits the Medical Certifi-
cate called for in Pro-
ceedings of Government
No 234 dated 10th July 1861
in the cases of Pandappa
Kandithar, and Amachala
Kundali who were lately

on his Establishment
in consequence of the
recent reductions.

The Civil Pay Master re-
ports that Suddappa
Kandithan has served

41^y 11^m 19^d qualifying for
pension and that he is en-
titled to a Pension of

half his salary, but
Kanchala Kandali can
only reckon 26^y 4^m 9^d to

reckon pension out of
his entire service of

34^y 11^m 7^d - the first 13^y 2^m 3^d
having been passed in
appointments the pay

of which was less than

16
Ten Rupees, and he is
consequently only entitled
to a Pension of one third
salary. —

3. The Collector points out
that the Gillah Surgeon
has stated in Sandappa Pan-
dit's certificate that Shil-
be "considers him permanent-
" by physically disqualified
" from duty, and infirmity,
" for employment in such
" bodily activity would be re-
" quired, he still "thinks him
" capable of performing light
" office work" and strongly
disseminates his intention un-
der such an opinion, in
the Public Service, as he
considers such a course

would be disadvantageous to
forbearance and unfair to
the individual himself, he
having served nearly 42 years
& being upwards of 64 years
of age.

4. The Government concurs in
this opinion of Mr. Cadell
of the inadvisability of retaining
Jandappa Pandithan's services
and resolve to sanction the
payment to him and
Amachala Kundali of the
pensions to which they have
respectively been found
entitled by length of
service.

Jandappa Pandithan
one half salary
Amachala Kundali
one third salary
