Certified that I have examined Mr. J. Fisher
Writer of the Court Court and am of opinion that he is
unfit for further service on account of debility, loss of
memory and impaired vision the result of his age which
he states to be 60, though he looks older; he has served
34 years. His present condition cannot be attributed
to any imprudence of his own.

I consider him a fit subject for the Government
pension of his rank.
