N^o 39.

North Caucas, Coll^y Office

Siriy, 2nd Sept^r 1861

From

W. Fisher Esq^r,

Collector of North Caucas.

To

J. Percroft Esq^r,

Chief Secretary to Government,
Russian Department,

Fort St. George,

Sir,

I have the honor to acknowledge re-
ceipt of the Proceedings of Madras Government
under date the 31st July 1861, N^o 263, (Russian
Department.)

2 In returning the List of individuals
forwarded with my letter of the 14th June 1861,
Government observe that the gratuity recom-
mended for each man, is calculated at six
months' salary, being the largest amount
contemplated under any circumstances
by the Civil Pension and Gratuity
Rules; that many of the men who are
included in the List submitted, will be found
capable of doing further service, if not in the
Police, at any rate in miscellaneous duty, and
I am directed to specify the age of each indi-
vidual, and to state whether he has at the
present time any relation in the public
service.

3. In obedience to the above orders, I have the honor to submit a revised List of persons recommended for gratuities.

4. I have now excluded all persons under 55 years of age, and have only entered the names of such persons as are known to have no relations in public employ.

5. In explanation of the length of the list originally sent up, and the rates of gratuity recommended, I have the honor to state for the information of Government, that the number of servants not entitled to pension thrown out of employ in this District under late arrangements, excluding those who were re-employed in the Police and Revenue Departments, was about 600, and that on the abolition of the late Siraj Sadr Amin's Court, all such servants over 20 years standing received six months' pay as gratuity.

6. This arrangement having met with the approval of Government, I caused the servants of this Department thrown out of employ by the abolition of the Offices they held, equally entitled to the recommendations made on their behalf, and no servant was recommended by me, whose length of service had not amounted to 20 years and

7. In reducing the number of secretaries
to those now made, I have acted on what
I believe to be the spirit of the instructions³
with which I am furnished, but would at the
same time bring to the notice of Govern-
ment the impossibility of finding employ-
ment at any future period in this Depart-
ment for any number of the persons whose
services have been dispensed with, owing to
the great reduction that has taken place
in the Revenue Establishment.

I have the honor to be,

Sir,

Your most obed^t serv^t

Order thereon 20th September 1861.
W. 316

The Collector of North
Canada forwards the revised
list of persons recommended
for patronage who had been
thrown out of employ on
the introduction of the re-
cent changes of Establish-
ments, and such was
called for in the Extract
of Proceedings

quoted above. -

2 This list comprises the names of 18 individuals and the total amount proposed to be distributed amongst them is \$376.80.

Mr. Fisher states that he has entered in it the names of no person whose age is less than 55 years, or who

has any relation in the public service at present

The Government sanction the payment to these men of the gratuity specified opposite to each of their names in the list now before

7
them.

3. The Collector will be informed with reference to the remarks in para-7 of his letter of the 2nd inst. that it was not the intention of Government to desire the re-employment of all those men whose names might be omitted from the revised list. They are of opinion, however, that as vacancies occur from time to time hereafter opportunity may be taken to re-employ the most serviceable of these men, instead of taking those who have been ^{found} ^{as} ^{of} ^{persons} in the public service, and there are also

various temporary duties
in the Saluz, in which their
services may be ^{made} available.

4 In the revised list the
predecessor observe the
names of 2 men whose ser-
vices should have been
discharged with some time
back, viz. from their ad-
vanced age, (84 and 66) they
could have been of little or
no use
