On the 18th October 1852 he was appointed Ledger Keeper in the Presidency Department which situation he has since held. In the discharge of his duties he has rendered satisfaction and his character has been very Good.

appears that a period of
18 years, 10 months and 12 days
must be deducted from this,
during which time Mountbatten
Dundale's pay did not exceed
\$1.50 per month, did not con-

pension. He can therefore
only reckon 18 years, 5 months
