The Collector of Madras
To The Chief Secretary to
Government

Memorandum 1860

37
This is to Certify that I have examined
Annamalai Mudali, late Muchee. of the Collectors
Establishment and find that he is incapable
of further Service in consequence of tremor of
the upper Extremities and incipient Cataract.

The above is not the result of his own
imprudence but that of age and general break
up of the system.
