I do hereby Certify that, I have
Carefully examined Ram Row late Deshkar
of Marudavengary in Manniam Talug, and
Am of Opinion that, from failing sight and
bodily infirmity, he is permanently disqualified
for further Active Service; and that, there is
no likelihood of his deriving any benefit
from relaxation from duty for a period of
twelve months.

I am further of Opinion that, his
present state of infirmity is the result of
natural causes and not of any indiscretion
of his own.

Sir,

I have the honor to submit the en-
closed application for Superannuation Pensions
on behalf of three individuals, on the late Revenue
Establishment of this District together with
Medical Certificates as to their incapacity
for further Service.

2. The first two of these, viz Vijaya
Rau and Rama Rau, were respectively the Tas-
sildar of Manargudi and Pishcar of Marudave-
jeri Puri or division in the Namilam Taluq,
and were thrown out of employ during the late
revision of Revenue Establishments. The total
Service of Vijaya Rau amounts to 33 years, thus
entitling him to half Pension, but from the
Certificate furnished to him by the Jilla

With checking the list
by services performed by
certain individuals in
the District of Tanjore

Surgeon of Combaroom, the Government will
behave, that that Officer considers him to be
quite fit for service. Vijasa Rao, however, has
stated to me in person that he is laboring
from a Rheumatic Contraction of his hands and
legs, and that he could not either walk or ride
a mile. Therefore submit for the consideration
of Government that it would be neither expedient
or for the advantage of the Public Service that
he should be reemployed and I would beg to re-
commend that, under the discretionary power
vested in the Government, Vijasa Rao may be
granted a Pension according to the length of his
service commencing from 1st July 1860 on which
date his services were dispensed with.

3 The next applicant, Rama Rao, is,
by the length of his service, viz 26 years, enti-
tled to one third Pension, and as the Medical
Officer has declared him to be unfit for further
employ, I have only to recommend that he be
accordingly pensioned from the same date, viz
1st July 1860.

9
4. As regards the third applicant, Ran-
gasamia, however, some explanation would
seem necessary. He was not thrown out of
employ like the other two individuals above
referred to, during the late revision of Establish-
ments. His removal from the Public Service
dates so far back as September 1857. Previously,
and up to June 1855 he was employed as
Peashcar of the Puri or division of Tevis
in the late Kivalur Taluk, when, on account
of his remissness in the discharge of his duties,
he was called upon by the then Collector,
Mr. Forbes, to apply for Puri. The
Medical Officer, however, declared him to be
free from any bodily infirmity such as would
render him physically incompetent for
service, and Rangasamia was therefore then
removed to a situation of an inferior grade
called "Jakeram Amma", and the duties of
which consisted in superintending the supply
of grain to a charitable institution attached to
the late Ray. This situation, however, was

was abolished on 1st October 1854, in consequence of the death of His late Highness the Raja, and Rangasamia has ever since been applying that he may either be provided with an employment or granted a Pension.

5. The Board of Revenue having on a Petition addressed by him in 1859, called for a report on the subject, the foregoing circumstances were reported by me together with my opinion that his re-employment in the Public Service was inexpedient, but that with reference to his long service, he might, if the Board thought fit, be recommended for a Pension, and the Board concurring in my view pointed out, however, that I should exercise my own discretion as to applying to Government for a gratuity or Pension being allowed him.

6. The individual has now produced the enclosed Medical Certificate, as to his incapacity for any active service. He is now aged nearly 60, up to the date on which he was removed from the situation of Pushear

16
above mentioned, Rangasamia had served Government for a continuous period of 27 years, and irrespective of his subsequent service as Jakira Amira and which, from that post having been of a temporary nature, might perhaps be considered ineligible for Pension, he is entitled to 1st Pension amounting to Rupees 15-15-00 per mensem, which therefore, should the Government see fit, I beg to recommend may be granted him to commence from the date of sanction.

7. With reference to the Proceedings of Government under date the 14th ultimo, 10.17.61, I beg to state that, in the supplemental Budget Estimate submitted by me for 1861/62, provision has been made for the amount to be disbursed on account of the Pensions above recommended.

I have the honor to be

REPORT OF THE CIVIL PAYMASTER

on Government Order of the 9th October 1861.

The Civil Paymaster has the honor to report that the authorized official allowance drawn by
Vyasa Rao, late *Savildar of Munnargudi Talug* on
 the Establishment of the *Collector of Tanjore* has averaged for the last 5 years
 of his service, Rs. 119-2-3 per mensem, and that his service, qualifying for pension, extends
 over a continuous period of 23 years 1 month and 11 days; Viz.

From 21st May 1827 to 30th June 1860.

He is entitled to a pension of half his average salary.

2. The authorized official allowance drawn by *Rama Rao*, late *Pashkar of Kurni Talug* on the same Establishment has been for the last five years of his service
 Rupees 10-8-0 per mensem; and his service qualifying for pension, extends over a
 continuous period of 26 years 1 month 9 days; Viz: from 21st February 1834 to 30 June 1860.

He is service for a period of 13 years 8 months & 21 days; Viz: from 21st February
 1834 to 15th September 1847 cannot be verified from the Records of this office, as he
 served during that period as *Davastannu Gamasta* in the *Kurni Talug*.
 Should this period be allowed to reckon towards retiring pension, he will be en-
 titled to a pension of one third of his salary.

3. The authorized official allowance drawn by *Rungasawmi Iyah*, late
Pashkar, Kivalur Talug, on the same Establishment has averaged, for the last
 five years of his service, up to 30th June 1855, Rupees 11-11-7 per mensem; and his
 service qualifying for pension, extends over a continuous period of 27 years
 1 month & 28 days; Viz: from 1st May 1828 to 30th June 1855. The period of
 1 year 8 months & 19 days shown in the collector's statement is not admissible,
 and has been excluded from the above calculation.

He is entitled to a pension of one third of his average salary. Should Government accept
 the Medical Certificate given in his favor four years after he ceases to do duty otherwise
 to only a gratuity of 6 months salary.

Verifies the service of *Thyagaraj Rao*
late *Deputy Magistrate*, on the
Establishment of the *Collector of Saigore*
and reports that he is entitled to a pension
of one third of salary.

Vyasa Rao and Nanna Rao,
were thrown out of employ
in the recent revision of
Establishments, and, when
last employed held, ~~held~~,
respectively, the posts of
Subsidiary of the Karmachari,
and Peethas in the Karmachari
Sulags. —

- 3 Vyasa Rao, the Civil Mag.
Quarter reports, can reckon
33 years, 1 month and 11 days
service qualifying for Pen-
sion, and is entitled to
a Pension of half his
salary. The Zillah
Superior has declined
to grant him ~~the~~
a judicial certificate of ^{benefit}
use for further service.

but Mr. Cadell states that
Vyasa Rao has represented
to him that he is suffering
from a Rheumatic affection
of the arms and limbs, and
that he is incapable of active
service. Under these
circumstances the Government
considers it inadvisable
to order the retention of
Vyasa Rao's services, and
resolves to admit him to
a Pension of half his
salary, on Rs 59.8, in ac-
cordance with the provisions
of their Order No 532 dated
26th October 1860. —

- 4 The Civil Mag Quarter re-
ports that Nanna Rao
can reckon a continuous
service of 26 years 4 months,
and

and 9 days qualifying for
Pension, he has furnished
the necessary medical certifi-
cate of fitness for further
service, and the present
order, in accordance with
the Civil Pension and Relief
Acts to admit him to a
Pension of one third his salary
or \$3.00 to which he has
been found entitled by length
of service.

5. Mr. Cadell points out ^{that} the
circumstances under which
the 3rd individual Nagasamie
now applies for Pension
are somewhat peculiar,
& he explains that his re-
-moval from the Public
-service was not in conse-
-quence of the late revision
of

2.

15
of Establishment, but dates
so far back as 1857.

6. It appears that in June
1855 Nagasamie, then Medical
in the late Divisional Surgeon
was called on to apply for
Pension by the Collector
of Forbes on account of
remissness in the discharge
of his duties. - Not being
unable to obtain a Certifi-
-cate of incapacity for
further active service he
was subsequently employed
in an inferior situation
as superintendent of the
supply of grain to a Char-
-itable institution attached
to the late Raj - This
employment, however, was

put a stop to at the death
of the late Rajah in October
1857 and ever since then
Naypasaia has been
applying for re-employment
or a Pension. In 1859
a correspondence took place
on the subject between the
Board of Revenue and the
Collector, and the Board con-
curred with Mr. Ludell
in considering that some
remuneration should be
given, but desired him,
in bringing Naypasaia's
claims to the notice of
Government, to exercise his
own discretion in recom-
mending him for the grant of
Pension, or gratuity.

16
7 It is observed that since
Naypasaia was removed from
the Peshawar situation in 1855
he had served Government
for a continuous period of 27
years in posts qualifying for
Pension, and he has now pro-
duced a certificate of un-
fitness for further service.
The Civil Magistrate reports
that his services as Superin-
tendent of the Peshawar Dis-
tributions cannot be reckoned
towards Pension, but that
if Government, after such
a lapse of time, are dis-
posed to admit his claim,
Naypasaia is entitled
to a Pension of one third
his salary.

8 In consideration of the

peculiar circumstances
of the case the Government
wishes to admit. May assume
to a Pension of one third in salary
or No 4 - 12 - They are of opinion
~~however~~ that the delay that
has occurred in submitting
the case for ^{final} decision has
been excessive, and in-
-excusable. It is observed,
The collector states that pro-
-vision for these 3 applica-
-tions for Pension has
been made in his Sep-
-temental Budget.
