I certify that I have examined
Surapayah. Deputy collector
salt department North Canara
& that I consider him unfitted
on account of long continued
illness & a broken down consti-
tution from the further performance
of his duty.

Honore.
24th Sept/61

Wm Macleod Ross.
Gillies Surgeon

From,

W. Fisher Esq^r,
Collector of North Canara.

To,

J. Pycroft Esq^r,
Chief Secretary to Government.
Public Department.
North Canara.

Sir,

With reference to the Proceedings of
the Madras Government (Public Department),
dated 3rd May 1861, No 162, I have the honor to
state that misapprehension has occurred regarding
the services of Surappaiga, late Deputy Collector
of this District, in as much as Government
suppose that he was out of employ for five years
after having been reinstated in his office on an
appeal to Government.

2 From the nature of his services which
accompanied my letter to Government dated 9th
April 1861, it will be observed that Surappaiga
service was continuous up to 12th July 1833.
On the 13th July of the same year, he was re-
moved from his office of Hazzir Humsbi, and
continued un-employed for 6 years and 19 days,
in consequence of a Report made by the

Commissioner, Mr. Stobis, to the effect that
the "Coat," or combination of the South Canara
Ryots, was instigated by the then Head
Sheristadar Krista Wān, and the other Superior
Cutcherry Servants. Surappaia was however
subsequently relieved of the charge by Govern-
ment, and was re-employed as Peshkar of
Baindur on the 1st August 1839, and as Peshkar
of Bhatkal on the 1st February 1840. From
this latter post he was transferred to the
Shikarpi's Taluq as Mamildar on the 13th -
August 1840. His subsequent service was
continuous and uninterrupted up to his late retire-
ment.

3. In submitting this explanation with
the Medical Certificate required to be furnished with
it, I beg to state that I have only now been able
to procure this document, in consequence of the
death of the late Gillah Surgeon, and the recent
arrival of his successor.

Yours the honor to be,
Sir,
Your most obedient servant

J. M. Fisher

Proceedings of the Madras Government

Read letter from the Collector
of North Canara

Here entered 5th October 1861.

Read Report of the Civil Pay Master

Here entered 29th April 1861.

Order thereon
1st November 1861. No. 356

The Collector explains, with
reference to the Proceeding
of Government No 182

Dated the 3rd Aug last,
that misapprehension of
its respecting Surappa
late Deputy Collector
in North Canara, in
as much as it has been
supposed that he remained
out of employ for six
years after Government

Division 1861 Department

Order No 356

Collector of
North Canara

Read Report of
the Civil Pay Master

Order No 356

Division 1861

Submittal, Surappa
Collector of North Canara
late Deputy Collector
of North Canara
Order No 356

had ordered his restoration
to office.

- 2 Mr. Fisher now points out
that Surappa's service was
continuous up to the 12th July
1833, but that on the 13th of June
he was removed from his post
of Kizur Kumbhi, and re-
mained unemployed for 8 years
and 19 days, Mr. Fisher the
Commissioner having reported
that the combination of
Nayak in South Canara had
been instigated by the Head
Sarishladan and other su-
perior Kacheri officials.
Surappa was subsequently
relieved by Government of
the consequences of the charge ^{against himself so far as} ~~and he was~~
to allow of his being

re-employed, and has since served
continuously up to his late re-

tirement. He was not however
acquitted of complicity in the offence of which he originally had been
found guilty.

- 3 The Civil Pay Master reports
that Surappa's service, quali-
fying for Pension, extends
over a period of 21 years, 6
months and 14 days, his for-
mer service of 11 years 4 months
and 12 days being excluded
as it was followed by a break
of upwards of 8 years, and
that he is entitled to a pen-
sion of one third his salary.

- 4 The Government resolve to
cancel their Order No 366
dated the 15th February 1861,
and to admit Surappa

Certificate No 2689. to a Pension of one third
 his salary, or \$67.^{12 1/2} ~~to~~ to
 which he has now been
 found entitled by length of
 service. -

5 The Collector explains that
 the length of time that has
 elapsed in furnishing the
 Medical Certificate of Service
 for further service
 which he now forwards
 was been occasioned by the
 death of the late Gilliam com-
 pon, & the delay that took
 place in the arrival of
 his successor. -
