From the Collector of Cuddapah. | (Here enter 28th May, No. 322 of 1861.)

1. Referred to the Revenue Department for consideration whether Mr. Wedderburn's proposal to retain Narrain Ráu in his old post of Sub-division Sarishtadár, be acted upon, and if so what pay Narrian Ráu should draw.

G. O. No. 966 of 1861, dated April 30th 1861.

2. It is observed that the order which allowed him to draw full pay limited the time of his doing so to the 30th April last.

(Signed) W. H. KERR,
Deputy Secretary to Government.

From A. WEDDERBURN, Esq., Collector of Cuddapah, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Muddenpally, 10th July 1861, No. 14.

SIR,

1. In reply to Mr. Master's Official Memorandum of 26th June last, No. 223, requesting to know "whether any provision is made in the Budget for the proposed extra payment to "Narrain Ráu, or if not whether the sum entered in the Budget for Huzúr Establishment will "cover the additional Rupees 75-0-0 proposed to be paid monthly to the Sub-Sarishtadár over "and above the regular salary of the appointment," I have the honor to state that as Narrain Ráu was considered by Government in their Proceedings, 27th October 1860, No. 1,977 to be in a position to claim his pension, no provision was made in the Budget for the extra allowance of Rupees 75 per mensem which he had been in receipt of, and that this allowance cannot be met out of the sum entered in the Budget for Huzúr Establishment for the year 1861-62.

2. Adverting to the very small increase of expense of Rupees 12-8-0 per mensem that will be incurred by allowing Narrain Ráu to take his pension, I would respectfully submit the advantage to the public interests arising from his retirement, and the appointment of a younger man upon the present decreased salary.

ORDER THEREON, 7th September 1861, No. 1,780.

1. The Government are of opinion that under the circumstances Narrain Ráu should be permitted to serve out his time as Sub-Division Sarishtadár in Cuddapah on his former pay of Rupees 175 per mensem.

2. The extra allowance of Rupees 75 monthly thus sanctioned over and above the fixed salary of the office will be provided for in the Supplemental Budget now under preparation.

A letter from the
Collector of Cuddapah
dated 29th October 1861
1861

I do hereby certify that I have this day carefully examined Varnasi Narain Rone, late Sheristadar of the Sub Collectors' Department Cuddapah; and that I find his speech is very indistinct from paralysis of the tongue, permanent thickening of that organ, and loss of teeth; there is impairment of vision and general debility, he appears old and worn out and is quite unfit for active duty.

I further certify that I do not believe his infirmities are the result of intemperance or other irregular habits, and I consider him permanently disqualified for further active employment.

Sir,

I have the honor to forward an original
order to my address from V. Narain Row, and at
the same time, to return the certificate granted to
him by Dr. Fletcher in charge of the zillah. The
circumstances of this case are so well known to
you, and in fact to all the authorities through whom
this certificate must pass that it would not become
me to recapitulate them. I may however state that
in my opinion Narain Row is not able to perform
three years more active service and the medical
certificate sets forth the reasons which lead to that
opinion. I should learn with satisfaction that
Government had been pleased to grant the prayer
of this petition, and had granted him $\frac{1}{2}$ pension as
I can myself certify that the paralytic seizure
under the effects of which he is labouring was brought

In reply to the Official Memo
from the Acting Deputy Secretary to Govern-
ment dated 14th November 1861 I have the
honor to state that, as V. Narraiah Row

of his first application for a pension, and,
as on the communication to the Acting

regarding his pension, he was found incapable
of resuming his duty, I would propose that
his pension be dated from 1st May 1861.

Proceedings of the Madras Government
Mad letter from the Collector of Cuddapah
No. 29 of 1861.

Order thereon dated
25th November 1861. N. 386.

The Collector of Cuddapah
forwards with this letter an
application for Pension from
Maragana Naa late Sub.
Division Sarishkadan of his
District.

1. The circumstances of Maragana
Naa's case have repeatedly
been under the consideration
of Government. As on the
7th September last in their
order No 529 permitted him
to serve out his time to
enable him to receive

Pension of half salary
as Sub. Division Sarishtadar
on the former pay of his post
(Rs 175). - Mr. Wedderburn
now reports that Karayana
Shah has been compelled to
retire from the Public Ser-
vice in consequence of his
growing infirmities, and the
great difficulties he experi-
ences in the discharge of his
duties. He forwards the
Medical Certificate sent
by the Gillah Surgeon from
which it appears that Karayana
Shah is suffering from paralysis
of the tongue amongst other
ailments, and the Government
are of opinion that it is not
advisable to retain him
longer in active employ.

13
3. Karayana Shah, it appears,
was only when 26-6-89
qualifying for Pension, and
he is consequently only en-
titled to a Pension of one
third salary. Mr. Wedderburn
recommends that Karayana
Shah be pensioned on half
his present salary; in this
recommendation, however,
the Government cannot con-
-cur. Karayana Shah has
throughout been treated
with the greatest consid-
-eration, and there are no ex-
-traordinary circumstances in
his case that entitle it
to be made a special
case. They therefore re-
-solve, in accordance with
the Civil Pension and
pension

Rules, to admit Siragusa Nam
to a Pension of Rs 58⁰⁰ per
annum, on the third his
salary to which he has been
found entitled by length
of service.

The Pension to commence
from the date of his retire-
ment from the Public
Service, at 31st Aug 1881.
