of this fund, and which is available for the payment of pensions, is \$623, or about \$57.44 per annum.

There are therefore funds from which the payment of the pension that may be granted to the present applicant can be met, and Captain Hope mentions that it is unlikely that any other clerk can become a claimant on the fund for, certainly, 10 years to come. —

- 4 The foregoing resolves, in accordance with the Pension and Pateity Rules, & sanction the payment to T. Maynard, husband of a Pensioner, from the above mentioned fund, of \$11.80 or one third his salary, to which he has been found entitled by length of service.
