This is to certify that Bapu Row a gumasta in
Tirumangalum Talug is in my opinion unfit for
further service in consequence of the infirmities of
old age which will physically and permanently
disqualify him for further active employment and
that these have not been caused by intemperance or
irregular habits.

Report of the Off^e Civil Auditor.

The Off^e Civil Auditor has the honor to report that the authorized Official allowance drawn by Bapu Row late a Goornastah of the Simmangalum Talug on the Establishment of the collector of Madura, has been for the last five years of his service Rs 17-8-0 per mensem; and his service qualifying for pension extends over a period of 31 years 9 months & 26 days viz;

From 13th July 1824 to 10th May 1829-4-9-24
" 16th August 1833 to 31st July 1835-1-11-16
" 1st September 1835 to 11th Sep^r 1860-25-11
Years 31-9-26

Of the two breaks that appear in the applicant's service the first was caused by the abolition of his office & the second by his employment in a grade ineligible to pension.

His services between 13th July 1824 & 30th September 1836, although qualifying for pension & consequently included in the above calculation, cannot be verified from the Records of this office; as he was employed during the period in zamindaries or attached estates.

He is eligible to half pension.
