Honored Sir,

With due deference I beg leave most respectfully to address these lines to your honor with the hope that the subject of my present appeal will meet with your kind consideration and support.

I beg to bring to your honor's notice that I entered in the Board's Outcherry as Draftsman on the 1st March 1826 on 10 Ropas a Month and was afterwards appointed to do the duty of Ink maker on a salary of seven Ropas, which duty I continued to perform up to 31st July 1859, making a total period of service of 33 years and 4 Months, during which time I worked to the satisfaction of my superiors. I am now far advanced in age being nearly 66 years.

I beg also to add that when Sir Thomas Munro and the Head Sheristadar Karamiah proceeded first to Tanjore, Trichinopoly, and certain other Districts, Madurai, Tirunelveli, Nilgerry Hills, Mysore and Bangalore for the purpose of surveying them, I was ordered to accompany them. I was then employed as Draftsman. When a 2^d trip was made by them on the same duty I was again directed to follow them to Nellore, Guntur, Masulipatam, Rajahmundry, Vizagapatam and Ganjam. When a 3^d trip was made by J. D. Campbell Esq who was ordered to proceed to Tanjore to survey the District, I attended that Gentleman also. On these and all other occasions my services were always acknowledged. After performing these duties for a protracted period of 35 years and 10 months with diligence and attention, I am now become quite infirm and am fit no longer for active public service. I therefore humbly crave that your honor will be pleased to employ my Nephew Mancomanta Row in my stead, who will protect me in my old age. And I further beg that the usual gratuity may be granted to me, which act of charity will ever be remembered with heartfelt gratitude and with prayers for blessings on you and your family.

Madras,
20th November 1861.

I beg to remain,
Honored Sir,
Your most obedient servant.

Amiah Peon of the Revenue Board Office
Aged 65 years having applied to me for a certificate on which to ground an application for transfer to the Pension Establishment.

I do hereby certify that I have carefully examined this individual, and find that he is suffering from general prostration of strength and impairment of all the functions, the result of advanced age (65 yrs) which incapacitates him from further effective service, and I do declare that to the best of my knowledge, and belief, these disqualifications have not been occasioned by intemperance or any other irregular habits.
