Was unemployed for six months and 4 days, having been suspended during that period (besides fined Rs. 30 and debarred from employment in any superior grade of trust and responsibility) for having embezzled a quantity of Government Salt worth Rs. 60 (Maricals) whilst Salt Muteadi of Cumpta, and made alterations and false entry in the Accounts so as to prevent the deficiency in the Salt from being discovered. From a reference to the Taluk records it appears, that the applicant was, whilst Peshkar of Sevashighur, suspended on 25 th March 1841 pending enquiry into a certain complaint made against him, but was paid for the whole period during which he was under suspension viz ^t 19 days from 25 th March to 12 th April 1841, the enquiry having however resulted in his degradation to the post of Salt Muteady of Nagarbyle on a Salary of 21 Rs. per mensem, but in the order issued by Mr. Blair the late Collector of Canara, under date the 13 th April of 1842 directing his degradation, no cause appears to have been assigned for it. On 16 th August 1842 he was degraded from the Office of Peshkar of Ryndoor to that of Salt Muteadi of Cumpta on the ground of unfitness for that post, he not having performed the Jamabundi settlement of his Division for July 1850 in a satisfactory manner and for having shown partiality to certain wealthy Ryots in recovering the arrears of Revenue. From a further reference to the Records it appears that the Applicant was again degraded on 12 th July 1853 from the Office of Peshkar of Bhuteal to that of Sea Customs Manager of Peshkar on a Salary of Rs. 25 per mensem, but the cause of this degradation cannot be traced either from the records of this Office or from those of the Collector of South Canara.	10 th January 1861.	Rs. 25--	Rs. 25--	Old age and infirmity.	For the last seven years the applicant has been in continued employment and the records show nothing against him during that period.	Rs. 12-0-0 to commence from 9 th July 1860, from which date the applicant's name was struck off the list of Collectors' Establishments.	From the Taluk Headery of Ankola.

Collector.

Report of the Off^{ce} Civil Auditor.

The Off^{ce} Civil Auditor has the honor to report that the authorized official allowance drawn by Venkataramanaiya, late Salt Sheristedar of Nagarbail on the Establishment of the Collector of North Canara, has been, for the last five years of his service, Rs 25-0-0 per mensem, and his service qualifying for pension extends over a period of 32 Years 7 Months and 20 days; Viz^t:

From 1 st December 1826 to 15 th November 1830	3-11-15.
— " — 1 st May 1831 to 9 th November 1834	3-6-9.
— " — 1 st May 1835 to 8 th July 1860	25-1-26.
Total	32-7-20.

His services prior to 31st November 1826, in grades ineligible to pension, are excluded from the above calculation.

Of the 2 breaks that appear in his service the first is only nominal, as he was during the time in Government employ, but on a salary of Rupees 10 per month. The second was caused by suspension from his situation.

The length of service, irrespective of the question of character, entitles the applicant to one-half pension.

Order thereon 16th February 1861. No. 37

Venkataramanayya,
the individual recom-
mended for pension
in the first of the above
letters. Has served the
State for upwards
of 41 years. His service
has not been conti-
nuous, and he ap-
pears to have borne
a very indifferent
character.

2. In 1834-35. he
was convicted of em-
bezzlement and falsifi-
cation of accounts.
For this he was sus-
pended for six months,
fined 30 Rs. and ex-
cluded from employ-
ment in higher grades.

Sub-Committee of the Civil
Audit Commission.

No. 37

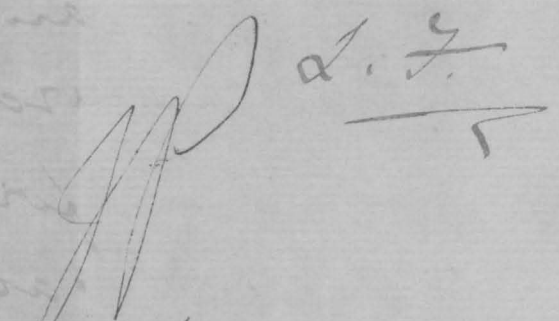

In 1841. He was sus-
pended, pending en-
quiry into certain
charges (nature not now
known) made against
him, and although
his salary during the
period he was without
employ was afterward
paid him, the enquiry
resulted in his degrada-
tion to a lower post.

In the year following
he was again degraded,
on the ground of gen-
eral inefficiency, and
for having in his offic-
ial capacity when reco-
vering arrears of
revenue shown partiality
to certain wealthy Ryots.

In 1853. He was again
degraded from the
office of Peshkar to that
of Sea Custom Manager
on a salary of Rs 25.

17
All that the Colli can
say in his favor is
that during the last
7 years the records
show nothing against
him.

The Govt consider
that he has no claim
to either pension or
gratuity, and they
desire that he be
informed accordingly.
