No. 50.

From, James Innes Minchin Esqr.
Acting Collector of Kurnool

To, T. Pycroft Esqr.
Chief Secretary to
Government
Fort Saint George

Sir,

I have the honor to forward for the favorable consideration of Government the accompanying list of Peons reduced on the introduction of the new Police into this District, for whom I beg to recommend that small gratuities may be granted on the loss of their situations. -

2 The Government are aware that the great Majority of Peons in this District were enlisted into the new Police force, and the men whose case I now bring to the consideration of Government were from reason of their age not admissible to that

Employment. –

3 Every Revenue Peon recently appointed is also beyond the age at which admission into the Police is granted, and the three hundred and twenty men for whom gratuities are recommended are now deprived of employment without fault of their own, and solely on account of the new organisation, as all younger men who might have obtained Service in the Police, but refused to do so, have been rigidly excluded.

4. For Peons of twelve years Service and upwards I have recommended the full gratuity of six months pay to be granted. – For those of less Service I have proposed one months pay for every two years of Service, and although the whole sum, amounting to Rs. 7,462-4-" may appear large, I trust that the Government will sanction the outlay, which will give some alleviation to the distress of a large body of men, on whom the recent reforms have pressed with great severity. –

I have the honor to be,
Sir,
Your most Obedt. Servt.;

Proceedings of the Madras Government

Read letter from the Collector of Kurnool.—

Here enter 27th Sepr 1861.

Order thereon 24th October 1861.
No 342

With his letter the Collector of Kurnool again submits the List of Duffadars and Peons whom he proposes to admit to gratuity consequent on their being thrown out of employment on the recent reduction of Establishment; revised in accordance with the instructions contained in the Proceedings of Government dated the 21st February 1861 No 63.

2. The Government make the same objection to this as to the former list. It has been prepared on a scale that is much too extensive, and they are not prepared to sanction so heavy an expenditure. —

3. The Collector recommends the sanction of gratuities to 166 individuals, at a total cost of Rs 3,750-8 — The amount of gratuity has, in nearly every instance, been fixed at the highest scale allowed by the Pension and Gratuity Rules, and it is observed that the services of some of the individuals recommended for gratuity are for so short periods as 2, 4, 5, 6, 7, and 8 years.

4 Mr. Minchin has evidently misapprehended the instructions conveyed to him in the Proceedings of Government quoted above, and also the spirit of the Gratuity Rules which do not contemplate the grant of donations in anything like the unduly liberal manner now proposed. Gratuities are not to be given as a matter of course, nor is the maximum to be granted in every case in which a gratuity may seem desirable, and he has* It cannot be that none of this large number of men whose names are entered in Mr. Minchin's revised list have any relation in the public service who may fairly be expected to assist their

* further overlooked the rule that 5 — gratuity can not under the Rules, be granted to any public servant who has served less than 5 years..

relations; Mr. Minchin does not mention this when he recommends so heavy an outlay..

6 The Government observe that the list now before them cannot be accurate in its details for several men* are entered as having served Government for many years, but whose age is now such that they must have been entertained as peons when quite children supposing the figures entered to be entitled to credit.—

7 It does not appear advisable to return the list to the Collector for further revision and the Government have therefore selected from it the names of the 36 individuals entered in

the accompanying list whose services and age appear to entitle them to consideration more than the others, and to these men the Government sanction the payment of the gratuity recommended by the Collector in each case, at a total expenditure of Rs ~~786~~ 846 —

From

Chief Secretary to Government

Sir,

I have the honor to forward a revised list of Peons, who have been thrown out of employ on the introduction of the new Police System in the District whom I beg to recommend for the small gratuities entered in the Statement

2 The list has been prepared in accordance with the instructions contained in the Proceedings of Government dated 21st February No 63, and after a detailed enquiry in each Talook as to the means of Subsistence of all the Peons thrown out of employ—

3 I would beg to draw attention to the point that none of these individuals were able to obtain employment in the Police, while situations for them in the Revenue Department cannot possibly be found for years, when the whole establishment has been reduced to about 168 men, all of whom, like the men now recommended for gratuity were too old for admittance into the Police, although the most efficient of their class

class.

5 Every effort has been made to provide Justly for all the Peons formerly on the Establishment, and none have been either employed in the Revenue Department, or recommended for gratuity, whose physical qualifications enabled them to join the Police force; a step by which much expence has been saved in the claim for gratuities.

Proceedings of Madras Government
Read the following

From the Acting Coll. of Kurnool dated 22nd Dec. 1860 –

Order thereon dated 4th February 1861 No. 13.

1. With the above letter the Acting Coll. submits a list of 320 peons, who have been thrown out of employ on the introduction of the new police system and whom he recommends for gratuity –

2. It is stated that the great majority of the peons of the District have been transferred to the new police force, & that a point has been stretched to admit many who

are advanced in years. The remainder are described as being quite unfit for ~~po~~ service as police peons.

3. The Govt. are not prepared to sanction this large outlay. It has not been found necessary in other Districts, and there is no reason why an exception should be made in the case of Kurnool - Many of the men are 60, & 70, and one (No. 113) as much as 80 years of age - They must have been long perfectly useless, and ought to have been discharged years ago. They have in fact been pensioners on full pay, and they can have no claim to gratuity now - All such persons should be excluded. As regards the rest, enquiries shall be made as to whether any of them have relatives - sons, grandsons, or nephews - who are fit to serve in the new police, & to whom belts might be given - Those who have relatives employed in the public service or in any other service should look to them for support -

4. The Act. Colr. will revise his list

with reference to the foregoing remarks.

To be returned

5. Copy of this order, and the Act. Coll.r's list (in orig.l) will be forwarded to the Insp.r Genl. of Mofussil Police for his remarks.
