The Messrs. Bony, Cashkeeper in the Pay
Office of Malabar and Canara, was particularly
intelligent, attentive and trustworthy during the
period I acted as Deputy Paymaster from the
beginning of February 1843 to the end of April
the same year. Consider him fully qualified
to hold a higher situation under government, and
shall be glad to hear of his advancement.

P. Cony the Cash Keeper of my Office requests to be
allowed to apply for the vacant appointment of Stroff in the Col-
lector of Malabar Office, altho I should be very sorry to part
with him, I am unwilling to stand in the way of his bettering
his prospects, and have accordingly sanctioned his applying
for the place he wishes. He has served in this Office for above
thirty four years, he has several testimonials from my predecessors
to whom he appears always to have given the greatest satisfaction,
since I have been in the P. Office more than five years, I have
always found him hardworking, willing, obliging, most correct
in his accounts, and in every way worthy of promotion, and as
such if his obtaining the appointment he wishes will benefit
his prospects. I can strongly recommend him as a most respect-
able, and extremely deserving public servant.
