Read the following letter from J. I. MINCHIN, Esq., Acting Collector of Kurnool, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 10th September 1860, No. 146:—

2. In my letter No. 100 of 7th July last, I reported to the Board that I had committed him to take his trial before the Court on a charge of corruption. The facts of the case were these :

4. The evidence brought forward in support of the charge was strong, and I felt it to be my duty to commit the case, considering more especially that if a conviction could be obtained the example would be of the most salutary effect in the District.

6. I have no intention of impugning the correctness of this decision. It is possible that the charge may have been quite true, though supported to some extent by false evidence. The particular charge even may have been false in spite of the corrupt habits universally attributed to this Officer. His antecedents, however, have been such that I feel it necessary to bring them to the notice of the Board, with reference to the propriety of his continuing to be employed as Tahsildar under the new arrangements.

8. His conduct in Atkoor was so unsatisfactory that at the close of one year, Mr. Arbuthnot again changed him to Chagalmarry, which was considered the least important Taluk in the District, and on leaving the country Mr. Arbuthnot confidentially recorded an opinion of his inefficiency in terms so strong that I should not be justified in quoting them in a public record.

10. It is, I believe, the intention of Government that under the new system, the post of Tahsildar should be one of increased dignity held, if possible, only by Officers in whom trust can be reposed. I feel, therefore, it is my duty to recommend with reference to Rama Row that he should not be employed in so responsible a position under the new arrangements, but until they are carried out, I have directed him to return to his Taluk of Chagalmarry.

ENCLOSURE No. 1.

ABSTRACT.—Copy of the register of services and character of Rama Row, Tahsildar of Chagalmarry.

ENCLOSURE No. 2.

ABSTRACT.—Calendar of persons committed for trial before the Session Judge of Nundial in the month of August 1860.

1. The Acting Collector is himself competent at his discretion to select the individual Tahsildars whose services shall be dispensed with or retained under the arrangements consequent on the revision of Taluks and Establishments, without reference to the Board, to whom he is merely to report the grounds of his selection, as required by Board's Proceedings, dated 14th April 1860.

2. With the opinion entertained by Mr. Minchin and recorded by his predecessor of the person whose conduct is more immediately under consideration it would not seem proper to retain him in the grade of Tahsildar on the revision.

Acting Collector of Kurnool

To, J. Pycroft Esq^r
Chief Secretary to Government
Fort Saint George

Sir,

With reference to the order
of Government No. 3, dated 3rd January 1861,
on an application for Superannuation
Pension in behalf of G. Rama Rao, late
Tehsildar of the Chagaluram Talook, who
was thrown out of employ in the recent re-
-ductions, I have the honor to state that
the Zillah Surgeon is unable to supply
a medical certificate that he is unfit
for further active service. —

2. My recommendation for a small
Pension to be granted to this individual
was founded on the resolution of the Govern-
-or General in Council, circulated with
the Proceedings of the Board of Revenue

Lieut. Col. Innes
of G. Ram Rao

N^o 5216, dated 10th November 1860, which vested the Government with authority to grant Pensions to persons thrown out of employ by reduction of establishment, who could show 30 or more years of service, but who could not produce medical certificates of unfitness for further duty. —

3 I regret to state that my own opinion of G. Rama Row's character is unfavorable, as will be seen from the enclosed copy of my communication ^{to be returned} to the Board of Revenue, recommending that his services as a Scribe should be dispensed with, on the abolition of the Salook to which he was then posted.

4 Considering the length of service which Rama Row had gone through, I considered that it was preferable both for the public interests and his own that he should obtain a small pension under the recent orders of the Supreme Government, and so abandon all prospect of further employ, than that he should remain without employment

for such period as it might be impossible to find any vacancy suitable for him, and obtain finally such subordinate post as the interest of the public could alone permit to be conferred upon him. —

I have the honor to be,
Sir,
Your most Obedt^t Servant;
