3 The applicant's total period of service in this District amounts to 31 years and 4 months.

4 During the applicant's service he was without employment for a period of 2 months and 1 day, vizt from 1st October to 1st December 1830. This break in his service was in consequence of his having declined to take up the appointment of Gumasta in the Trichengoor taluk, to which he was nominated. Subsequently, he was re-employed as a Gumasta in the Sub Collector's Office on the 2nd December 1830.

5 The applicant has shewn thro' his service of upwards

13th
of 30 years due care and attention in the several grades in which he has been employed.

I therefore think him entitled to the favorable consideration of Government, and beg to recommend that he be allowed a pension of 50 Rupees, being one half of the average salary which the applicant received during the five years preceding the date of his application. I also request that the pension may be made payable through the Treasury of this Collectorate from the 1st December 1860, the date on which the applicant was relieved from his duties.
