From
W. Fisher Esqre.
Collector of Canara.

To
The Chief Secretary to Government
Fort St. George

Sir,

Sheik Ismael, one of the Jemadars attached to my Office, being unfit for further service in consequence of old age and infirmity, as will appear from the accompanying Medical Certificate×, I have the honor to bring his services to the notice of Government with a view to his being allowed to retire with a gratuity equal to six months pay.

Rs. 105.
@ 17½ Rupees
per mensem.
× of 5th Sept./59.

2. He is said to be about seventy years old, and to have served the Government for half a century. The records of this Office having been destroyed during the disturbances in 1837, I can find no special mention of his services, but in 1833, when the lives

of Mr. Cameron the Collector, and Mr. G. Maltby, the Assistant Collector, were in peril during a disturbance at Sircy, he is known to have behaved well and to have been rewarded in consequence.

3. From a Certificate granted to the Jemadar by Mr. F. N. Maltby, it appears that his conduct at Sircy was most praiseworthy, and that he has always been found faithful and trustworthy.

I have the honor to be,
Sir,
Your most Obedt. Servt.

To
His Excellency the Right Honorable
the Governor in Council
Fort St George

The humble petition of Shik Ismal
Jemadar of the Collector's Office
in Canara

Respectfully Sheweth,

That your petitioner with
profound deference begs leave to trespass on the
valuable moments of your Excellency which are
devoted to more important avocations in the humble
hope that he may be pardoned for the same, and
that a representation of his grievances which he
is now making through this address will receive
that indulgent consideration which those in his
position have received from your Excellency's
protecting hands, ever since your Excellency's as-
-sumption of the Madras Government.

Your petitioner begs leave to represent
that he is a servant of 52 years standing, having
entered the Honorable Company's Service in 1808,
during the administration of Mr Alex: Read
the then Collector of Canara, and that his advanced
age of 80 years renders him totally unfit to
perform active duties, and therefore on this occa-
-sion he looks up to your Excellency for succour

information to

That therefore with a view to convince your Excellency that during his long period of Service he had on several occasions performed valuable Services under his Employers and proved faithful to them, your petitioner humbly takes the liberty to lay a short but accurate detail of them for Your Excellency's kind consideration.

During the disturbance which took place in Sircy in 1833, when the life of both Messrs Cameron and his then Assistant Mr E. Maltby was in imminent danger, your petitioner and the other public servants then present on the occasion having proved faithful and rendered them valuable services Mr Cameron the then Collector brought the same to the favorable notice of Government, whereupon he was requested to convey the thanks of Government to every one whom he thought deserving of the same, and that your petitioner not only then received it, but was also rewarded with a present of two months pay from Government, and a similar remuneration from Mr Cameron out of his private fund. The orders of Government on this subject is as your petitioner understands dated 19th March 1833.

That in 1837 when the Coorg insurgents surrounded the Bungalow at Pootoor in which Messrs Lewin and his Assistant Mr Lushington were lodging and commenced firing, and when

16/3/60

during their retreat to Mangalore they despaired of their lives, your petitioner closely followed them amidst incessant firing on the part of the insurgents, and afforded them every assistance in his power, for which the former Gentleman presented him with a horse worth 500 Rupees, and Rupees 50 in Cash, and also held out hopes of bringing his services to the notice of Government, but unfortunately the sudden removal of that Gentleman from the District prevented him accomplishing his promise, and finally that his promotion above the rank of a Deloyet originated from strong recommendation made on his behalf by Mr Grome when acting Governor of Madras to Mr Babington the former Collector of Canara.

Your petitioner although unable to prove the whole of his statements above made by documents, is sanguine that his assertion in regard to the services rendered by him during the Sircy disturbance will be fully borne out by a perusal of an original Certificate granted to him by the late Collector of Canara Mr F. N. Maltby which he herewith begs to forward and that his services on that occasion is well known to Mr Edward Maltby now a Member of the Board of Revenue.

Under these circumstances and in consideration of your poor petitioner's present distressed

information to

distressed condition he respectfully begs that Your Excellency will be graciously pleased to take his case in connection with a recommendation made on his behalf by the Collector Mr Fisher for granting him a gratuity of 6 months pay and by condescending to view the services he has rendered, grant him a small pension. As he is now far advanced in age, he is sure that he cannot long enjoy it — if this cannot be done, he prays that he may at least be allowed a gratuity of one year's pay, and by your conferring the boon he now solicits, he will offer up prayers to God that wisdom may reign in your Councils and prosperity attend your Excellency's administration as well as for your Excellency's long life.

Shall ever pray —

A
