To

J. Pycroft Esq^r

Chief Secretary to Government

Sir,

At the request of the Rev^d S. J. Pettigrew
Chaplain of Kempton I have the honor to
forward an application for a pension from the
Seator of that Station. Mr. Pettigrew states that
for upwards of thirty years the applicant has
been a good and faithful servant and that
he is now incapacitated from further work.

I am not aware whether or no Government
ever grant pensions under similar circumstances
but if they do so, the case under submission
appears to be deserving of their kind consideration.

I have the honor to be

Sir

Your most obedient servant

Sir,
 Agreeably with para 3 of the
 Proceedings of Government dated 19th March 1860
 No 98, I have the honor to submit the accompany-
 ing papers, as per Margin, relative to the two
 breaks in the Service of Rajah Row, the Goomastah
 in Salem to whom Colonel Bell, in his letter of
 the 19th November 1859 No 7434, recommended
 that a gratuity of 13 Months' salary should be
 granted.

2. Captain Gahagan explains that
 Rajah Row was dismissed twice from the Public
 Service, viz., 1st in October 1821 in consequence of
 a deficiency of Cash in the Salug Treasury

of Tengaracottah, where he was employed as Nagadeo Goomastah, 2^d in June 1848 for "gross and glaring neglect of duty" in attempting to prevent enquiry into a case of theft which he, as Karkoon, should have promptly investigated, and for being considerably in arrears with his accounts. Under these circumstances, it appears to me that he has no claim to pension.

3. Moreover, under the rules recently communicated by the Government of India, Rajah Row cannot be considered as eligible to a higher gratuity than 6 Months' Salary. Indeed it is possible that he is not entitled to more than 11 Months, as to entitle him to the former, it is necessary that the Claimant should have, I believe, 20 Years continuous service, which Rajah Row owing to his dismissal in 1848, has not. In the absence however, of the Statement of Service as submitted with Colonel Bell's letter above quoted, and of which no copy was kept in the Central Office, I am unable to say with certainty the exact amount of gratuity which Rajah Row is eligible for.

11. In explanation of the delay which has occurred in the submission of this information to Government, I have the honor to state that it has been caused by the time occupied in obtaining from the Collector of Salem the accompanying translations of the documents relating to the former dismissal of Rajah Row from the Public Service.

Report of the Off. Genl. Auditor

It is believed in this Office that servants on the Ecclesiastical Establishment such as Scribes, Clerks &c., are excluded from the benefits of the Superannuation Pension Rules. None such is at present on the rolls, but the decision, if it exists, is not found in the records.
