Most Honored Sir,

The humble petition of
Sammanna Venkatar
H. Shroff the Pay Officer
at Masulipatam.

With profound submission & due respect
I most respectfully beg leave to lay the following
frailties of my deplorable circumstances before you
hoping that I shall stand excused for the
present that I served the Govt. a period of 30 years
continuously from 1st January 1831 to 31st Decr 1860
with an uninterrupted good conduct the former being
the date of my disengagement & the latter that of the
abolition of the office. First I was entertained on a monthly
salary of Rs 15, which has been raised after 1 year &
with Rs 17 1/2 in which I continued about 10 years
in the 1st January 1842 the Government having
created the Office of Establishment & removed from
Rs 30 to 24 Rs on account of the transfer of the Pay
to Vizag & that of Pay to this place the then Pay
has commuted my pay from 17 1/2 Rs to 10. I received the
latter amount a period of 11 months upto 30th November

On the 1st Decr 1842 the Pay has again increased
my pay to 12 Rs in consideration of my responsibility
& laborious duties which salary I received upto 31st
December 1860. The duties performed by me during the
whole period of my service are most arduous & responsible
& my services were always concerned with Financial
Branch.

Consequent on the abolition of the office the

Having directed to recommend servants who have served 30 years for Pensionary aid, Capt A. L. D. D. has been pleased to consider my application for Pension recommending me only for 4 R^s under an impression that the period served 11 months, 10 R^s pay I received, would not be reckoned to service entitling to Pension, instead of R^s 6 which I am justly entitled to according to 5 years average of my pay under the following observations-

1st The commutation of my pay from R^s 17/6 to 10 R^s was taken place under the orders of Govt for saving Govt expenses, but not by any of my misconduct or at my own request. This circumstance will be proved from the correspondence passed between the Accountant General & Secy of the Navy. These letters, Nos. & dates indicated in the margin-

2 The order directing that the services of above R^s 10 pay only be reckoned for Pension was promulgated subsequent to the period during which I received 10 R^s pay-

3 I owing my misfortune am thrown out of my employ before the completion of the services of 11 months the period I received 10 R^s pay in consequence of abolition of the office-

I further beg to bring into your honors favorable notice that I am depressed for subsistence by a numerous family composing of 6 children, I am quite destitute of any means of maintaining in an advanced age. I therefore most earnestly solicit your honor will graciously be pleased to lay my poor circumstances before the Right Honorable the Governor in Council recommend to grant me R^s 6 Pension which I am justly entitled to under the existing Regulations so as to enable me to earn my livelihood during the unexpired short period of my life as I am offering up prayers to God Almighty for the eternal existence of your most obedient humble servant

Respectfully
 10th January 1842
 I have the honor to remain Sir
 Your most obedient humble servant

EXTRACT from the Proceedings of the Government of India, in the Financial Department, d. 26th February, 1861.

READ the following:— (A true Extract)

From the Deputy Secretary to Government, Fort Saint George, to the Secretary to the Government of India, No. 25, d. 22nd January, 1861.

SIR,
Public Dept. I AM desired by the Hon'ble the Governor in Council to submit, for the favorable consideration of the Government of India, the case of a Shroff on the establishment of the Pay Master of Masulipatam, who has been thrown out of employ by the abolition of the Office.

2. This individual has served the State for exactly 30 years, and of this period 29 years has been passed in grades admissible under the Rules. No medical certificate is submitted. The Pay Master, however, strongly supports the application, stating that, although the man is not absolutely disqualified by debility or loss of health, it would be very difficult for him to procure further employment. The Hon'ble the Governor in Council is of opinion that, looking to the circumstances under which this man has lost his situation, when just on the eve of completing the term of years which would have entitled him to the *higher* rate of retiring allowance, as also to the fact that the State is an immediate gainer by the abolition of the Pay Office, he may fairly be admitted to pension. He accordingly desires me to solicit sanction for granting a pension at the lower rate, or of Rupees 4 per mensem, being *one-third* of the salary drawn by the applicant during the last five years of his service.

FINANCIAL DEPARTMENT, FORT WILLIAM, 26TH FEBRUARY, 1861.
Resolution.

HIS Excellency the Governor General in Council is pleased, under the circumstances stated, to sanction the grant to the Shroff mentioned above, of a pension of 4 Rupees per mensem as recommended by the Government of Madras, pending the confirmation of the Right Hon'ble the Secretary of State for India, or counting it in the meantime towards the gratuity which may be granted to the applicant, should the Secretary of State refuse to sanction the pension.
