From

T. PYCROFT, Esq.,

Chief Secretary to Government, Fort Saint George.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA.

SIR,

In their Order in the Public (Separate) Department, dated 12th July, No. 213, the Government granted Superannuation Pensions to nine persons, who had been thrown out of employ consequent on the absorption of the Guntoor Collectorate. Medical Certificates were not considered necessary, and were not submitted.

2. Of these nine persons, four had served in admissible grades for periods exceeding 30 years. They were therefore under the Resolution of the Government of India, dated 20th September 1860, eligible for Pension without producing Medical Certificates.

3. With reference however to the ruling marginally noted, the grant of Pensions to the others without Medical Certificates requires the sanction of the Supreme Government. The first of these, M. Narasinga Row, has served in appointments exceeding 10 Rupees per mensem for between 29 and 30 years. He has been highly spoken of by the Collector, but as he is over 56 years of age, and is not likely at his advanced time of life to obtain further employment, it has been thought desirable to allow him to retire on the Pension of his rank. The next, K. Narasinga Row, can show only 18 years of admissible service, but as he has been in public employ for above 30 years, and his retirement was not of his own seeking, but was required on public grounds, a Pension equal to one-third of his salary has been granted him.

4. I am now directed to report the grants to these two Servants and to solicit the confirmation of the Government of India to them. I am to point out at the same time that the carrying out of the arrangement in regard to the Guntoor Collectorate has resulted in a saving to the State.

5. With respect to the other three cases, the Collector has been instructed, without avoidable delay, to cause the attendance of the parties before the Civil Surgeon, in view to his stating whether he considers them still fit for active duty. Meanwhile their Pension Certificates, as well as those of the two persons referred to in the preceding paragraph, will be held in abeyance.

I have the honor to be,

Sir,

Your most obedient Servant,

FORT SAINT GEORGE,
11th December 1860.

Chief Secretary.

I do hereby Certify that Manchinnella
