I hereby certify that I have examined Apfocover a writer in
the Sub Court and find that he is suffering from almost
total blindness of both eyes. (glaucoma) which has per-
manently disqualified him from the discharge of his duty.

I am of opinion that this disease has not been
induced by any indiscretion.

Sir,

1 I have the honor to submit
for the consideration of the Government
an application for a gratuity, presented
by one Appoovien the 5th written in the
Subordinate Court.

2 The applicant in this case
has been for the last year suffering from
glaucoma a disease in the eyes, during
which period he was absent on medical
certificate, but the disease has now assumed
that form as to be totally incurable. His
total period of service is 6 years & 4 months
and his pay is at present 17 Rupees 8 Annas
per Mensem.

3 Although comparatively recently

entertained he appears to have given
satisfaction to 2 former Subordinate Judges,
and I can add that, as long as he has been
under me, I have not had any particular
occasion to find fault with him.

4 As it is useless giving him any
further extension of leave, and as he is now
quite incapacitated from earning his own
livelihood, I would respectfully recommend
that a gratuity equal to 5 months' pay,
one for each year of active service, be
bestowed upon him.

5 Enclosed are his own applica-
tion, the Certificate of the Medical officer,
and the Copies of his testimonials.

I have the honor to be
