From N. M. Cadell Esquire
Collector of Tanjore

To J. Pycroft Esquire
Chief Secretary to Government
Fort Saint George.

Sir,

I have the honor to submit an application for Superannuation Pension, on behalf of one Trimalachariar, who held the office of a Deputy Tahsildar and Police Amin in the late Revenue Establishment, and who was thrown out of employ in consequence of the separation of the Police from the Revenue Department and the re-organization of the offices of the subordinate Taluk Magistracy. A list showing in detail the services of this individual, also accompanies, together with a medical certificate as to his physical incapacity for further service.

2 From the latter, the Government will observe, that the Zilla Surgeon considers him to be "still fit for ordinary office work, in which much physical exertion is not required," although

although, in that officer's opinion, he is not
competent "for any very active or laborious
"occupations". The present reduced state of
my establishments, is, however, not such
as would admit of any situation being
provided for a man of impaired energies,
with such light work as may be suited to
him, and considering further that the ap-
plicant, in this case, has already rendered,
a continuous service of 30 years, I would
beg to recommend that he be granted the
pension to which he is entitled under the
rules, viz: Rules 13-14-a, being half the
average salary drawn by him during the
last 5 years of his service; the payment
of the Pension is to commence from the 1st
January 1861, on which date the applicants' services were dispensed with.

3 I beg to add that this Pension,
if sanctioned, can be paid out of the
amounts which have been provided
for both in the Supplemented Budget of
1861/62 and the outgoing Budget for 1862/63

to

to meet charges of this description.

I have the honor to be

Sir,

Your most obedient servant
