quence of the infirmities of old age which will physically
and permanently disqualify him for further active em-

His service prior to June 1831,
and between May 1833 and

the above calculation, because
during the former period of his
service Khimra Na was

mounts to 29-5-22, and

marks of the Civil Pay Master
in para 2 of his Report, and his
omission to include the appli-
-cable service when paid from

with the Civil Pension and
patriot Rules, to caution the
payment to Khimra Na
of a Pension of Rs 5-12 or one
third his salary to which he
has been found entitled
