1 of 1862.	Guntoor in Guntoor Táluq.	3 0 0 per month.	It appears from the seal on the copy of the Sanad, that this was granted by Ameeruloomra Shujavul Mulk Bahadur Basalutjung Fidvi Raja Brijvandoss. The grant was made on 21st Moharam Hijeri 1180, A. D. 1766.	2 copies of the Sanads, Nos. 3 and 4. NOTE.—It appears from Mr. Collector G. Ram's endorsement on the said copies, that the original Sanads were sent to Board in the month of March 1790.	Charity: for keeping lights at the Punja of Barahemam Peers; at 2 Annas a day out of the Sayer revenue.	Hussain Mahomed Moojavur, or worshipper.	Shaik Adum. He is the younger brother of the original grantee. Shaik Adum is still alive.	Shaik Adum enjoyed himself the whole Yaumia up to June 1801.	1. Shaik Adum, the present applicant. 1. His wife. 1. His adopted son, Futta Mahomed. 1. His daughter, Kapija Be.	There is at Guntoor village one Kutti of Inám land granted for the support of the Punja of Barahemam Peers at that place. It gives an annual profit of Rupees 40; besides this they have other means of subsistence.	The applicant Shaik Adum, after a continuous service of 67 years as Dafterband in the late Guntoor Collector's Office, was thrown out of employment at the time of the amalgamation of the two Districts. As his services as Dafterband did not entitle him to superannuation pension, he applied that the Yaumia, which he used to receive previous to his being placed in the public service, might be renewed to him. On reference to the account particular of the Rojeenadars of the late Guntoor District, which was forwarded to Board on 24th March 1801, with Mr. Scott's letter, it appears from item No. 153, copy of which is herein enclosed for the Board's information, that the applicant Shaik Adum having been employed as Dafterband, the payment of the Yaumia of 3 Rupees a month was suspended. This was confirmed by the Board in their resolution on the above account particular. The name of the grantor in the manuscript seal on the copy of the Sanad herewith forwarded with its translation in English, differs from that in the account particular in question; and in the absence of the original Sanad, which appears from Mr. Collector Ram's endorsement on the copy to have been sent to Board in March 1790, it is difficult to test its authenticity; but the name of the original grantee Hussain Mahomed is the same in both documents. Shaik Adum says, that he defrayed the expenses attending the lights in the Punja, out of the 7 Rupees of his monthly pay as long as he served the Government. Since he was thrown out of employ he has been unable to do so. This Yaumia was granted during the Mahomedan Government to be paid out of the Sayer collections for keeping lights at the Barahemam's Punja at Guntoor, and was discontinued to the present applicant only on the ground of his having been entertained in the public service. As he is far advanced in years, and has served the Government for a period of 67 years, the Collector begs to recommend, that as he is possessed of no means of livelihood, the Board will be pleased to obtain the sanction of Government for the revival of the suspended Yaumia, viz., Rupees 3 a month, in the name of Shaik Adum, from the date* on which he was thrown out of employment. The original Petitions Nos. 1,936 2,899 3,273 2,508 of 1861, presented by Shaik Adum to Board, are returned herewith.			

* 15th December 1859.

Submitted to Government, with the Board's recommendation that under the circumstances stated, the Yaumia be revived in favor of Petitioner. He was in the enjoyment of it in 1801 when it was discontinued because he was in the receipt of a salary of the State, and he is stated to have performed the service during the last 60 years at his own expense.

ORDER THEREON, 15th March 1862, No. 581.

The Government are unwilling to revive the Yaumiah in question, which it is observed was stopped sixty years ago; but the paper will be referred to the Pension Department where it will be considered whether Shaik Adum may not be allowed a pension on special grounds.
