To. B. Cunliffe Esq^r
Collector of Madras

Honored Sir,

Para 1. In accordance with the instructions of the Home authorities conveyed to me by your honor under date the 24th Instant, I beg leave to submit my application for a superannuation Pension, and enclose a list showing the period of my public service which extends to a period of 28 years and 9 months service. You will observe that I have filled responsible duties all along. It is needless on my part to recapitulate here the important services rendered by me to Government.

2. Though I have been twice most unjustifiably thrown out of my employment, the Home authorities were pleased to see the case in its proper light and to me no harm. I am obliged to allude to this point, it being necessary that I must have the full benefit of the period of my removal included in my regular service, in conformity with the instructions of the Home authorities, contained in the Extracts of their despatches dated 30th August 1858 No 13, 30th December 1859 No 28, and 7th June 1861 No 41 herein enclosed.

3. I beg to submit the original testimonials granted me by my different employers under whom I have served.

4. During the whole period of the last 10 years I filled the responsible Office of Tahsildar, I rendered important service to Government, a reference to your records will show, that I have always been very practical in my Collections and collected measures in the Ootacamund Taluk.

an old balance of 30000 Rs. which was outstanding
for a period of 6 years or from July 1262 to 1267-
5

In my application to the Secretary of State
for India, I stated that 2 and odd years of service
was wanting - With reference to this the Home authorities
state in their despatch of the 7th June 1861 No 41, that
I should have the full benefit of it included in my
service - On a more correct calculation however
I find that still one year and three months are
wanting, which I hope will be conceded to me.
If it is considered objectionable to comply with my
request, I trust I will be permitted to complete that
service of one year and odd, without detriment
to my half Pension at least, and then retire with
credit to myself, and the state under which I have
served in various responsible offices with upright
energy, and indefatigable zeal, all along during the
career of my unimpeachable long service.

6. The period of my suspension of 6 months
ordered by the Board expired by the 1st October
1860. The amalgamation of the Madras and
Teling having been effected at the same time,
I solicit you will be pleased to obtain for me
the superannuation ^{Pension} from the 18th October 1860.

7. Under these circumstances, may I request,
you will take my case into your pitiful
consideration, and recommend me to a some
what increased rate of Pension as the Govern-
ment have invariably extended their merciful
consideration to many a deserving public servant
like myself.

For this act of justice I shall always
pray for your prosperity.

I remain with due respects
Honored Sir,

Your most obedient and humble servant -
C. A. Strachan, Esq. Barrister
late Tahsildar of Teling.

It is with infinite submission and
respect that I beg leave to represent the following
circumstances to your consideration, in the earnest hope
that my request will meet with due consideration.

2

It is a well known fact that
I was suspended by the Sub Collector Mr. Ellis,
on the 18th April 1860, I then appealed to the Collector
the Board, and eventually to Government. As I had
not the good fortune of being restored to the service,
I was obliged to appeal to the Home Authorities.
The Honorable Secretary of State, in passing
his final decision in my case, remarked that,
if this Government does not find it convenient
to restore me to service, I should have the
benefit, of 2 years wanting to complete my
30 years service. This order was passed on the
7th June 1861 No. 41, calculating from that
time, I required only 2 years service to
complete the 30 years, as may be seen

 3- I firmly assert that had it not been the intention of the Home authorities to allow me the full benefit of 30 years which was wanting only by 2 years as was stated above, from the date of the final order of the Honorable Secretary of State of the 7th June 1861, No. 41. the Secretary of State would not have stated in his letter of that it would not be unreasonable to

4- The Collector takes exception to this period, and leaves it I hear to the pleasure of Government whether to allow me the benefit of it or not. It must be well known to your Government that, as long as the Home authorities were pleased to concede to me, as an act of grace, the full benefit of the 2 years' service, it cannot be their intention to deny to me the benefit of the trifling period of 1 year and 2 months, which was occupied by my appeal, and

and which I was necessitated ^{to resort} to by unforeseen circumstances. — It must be within the recollection of the Government that I have been peculiarly unfortunate all along, and it was not without repeated appeals that Government and the Home authorities were pleased to extend their mercy and justice towards me — I am burthened with a very large family, and any thing calculated to deprive me of the benefit of this one year and 2 months' service, will seriously affect my small half pension (from the date of the amalgamation of my salary viz 18th October 1860) to which I would be entitled —

Sir, Adverting to the order of Government, Revenue Department, of the 18th July last, N^o 1432, forwarding copy of a Despatch from the Secretary of State for India of the 7th June preceding, N^o 41, I have the honor to state that a copy of the order was communicated to the Memorialist, C. Srinivasa Row, late Tahsildar of the Ultramallur Taluk, and that he submitted the enclosed application on the 30th July 1861, praying for a Superannuation Pension.

From the list of his services enclosed, the Government will observe that he has completed a period of Years 26-9 ^{months} - ^{days} of actual service, wanting 3 years 2 29 days to complete the required period of 30 years. giving him the benefit of the 2 years service conceded to him by the Secretary of State in his letter of the 7th

7th June 1861, quoted above, there will still be a deficiency of ^{year less the days} 1-2-29.

3 Strinivasa Rao was suspended from Office, by order of the Board of Revenue under date the 12th July 1860 No. 3200, and this sentence was confirmed in Government Proceedings dated 17th January 1861, Petition Deptt.

4 He then appealed to the Home Authorities, stating apparently that he required two years more to complete a service of 30 years, & these 2 years were conceded to him, while the Secretary of State declined in his Despatch of the 7th June 1861 No. 141 to interfere with the sentence of suspension from Office, or to direct his reemployment.

5 About the time that his suspension had expired, his late Fakhir of Uttraundlun was incorporated with that of Madurinda Kani, his post of Fakhirdar abolished, & in the new arrangement he was not reemployed.

6 There is a break of 15 days between his resignation of the situation of Writer in the Civil Engineers Deptt., and his assuming that of Devastanam Writer in the Chingleput District, but the

the Government may be inclined to allow him this short period, when there would still be one year & 2 1/2 months to complete a service of 30 years, as he cannot, in my opinion, count as service the time which elapsed from the date of his suspension & the final order passed upon his appeal by the Secretary of State, on from 18th April 1860 to 7th June 1861.

7 The applicant was removed from service from 15th April 1856 to 30th November 1858, while he was Fakhirdar of Peddapollim; but he was restored to the service under the instructions of the late Honorable Court of Directors, communicated in Extract Minutes of Consultation dated 28th October 1858 No. 1509, Judicial Deptt. Subsequently, on his application the Secretary of State authorized him to draw a moiety of the salary of his Office during the period he was then out of employ, and approved at the same time of the permission of Government that this period should be reckoned towards his Pension, as communicated in the order of Govt. of the 7th February 1860, No. 145.

8 In filling up the Pension Register in the Column headed "average Salary, or authorized official allowances per

per annum," the full salary of his
Office Viz. 85 Rupees is given, altho he
has drawn a moiety of his pay only
from 15th April 1856 to 30th November 1858,
on the ground of the opinions expressed
in the 3rd Para of the letter from the
Secretary of State dated 7th June 1861,
No. 41, in which it is stated that the
Secretary is "strongly of opinion that
"the former case should not be permitted
"to weigh against him in any decision on
"his Pension."

As stated above, the appli-
-cant is short of 30 years' service by 18 1/2
months, and it will rest with the Govt.
on a review of the above circumstances
to abide strictly by the Rules, or to
grant him a Pension of 1/2 his salary
for the last 5 years.

10 The delay in submitting
this application has originated partly
in procuring the requisite records for
the verification of the applicant's
Service, & partly from the reference to the
Officiating Civil Paymaster in view
to the verification of that portion
which was papered in the Civil Engineer's
Depot.

I have the honor to be

Your most obed^t Servant.
