To

The Civil Court of Honore

Arzi addressed by Dasappa
District Munsif of Supa,
aged 57 years and 7 months,
a Saraswat Bramin, dated
20th December 1861 –

I beg to represent that I was originally appointed in the Zillah Court of Canara as an Extra Gumashta on the 8th January 1829.

I am a Servant of 32 years, 11 months & 11 days standing, during which period I have drawn a pay of more than 10 Rupees.

I have herewith produced an authenticated copy of a Statement sent to the Court of Sudr Adalat, by the Civil Judge of Mangalore, on the 1st January 1844, which contains commendatory remarks regarding me – Certificate granted to me by Mr. Cook the late Subordinate Judge of Mangalore on the 3d September 1847 – & a Diploma I had obtained in passing the prescribed Examination in May 1848 before the Gentlemen who formed a Committee at Calicut –

I joined my appointment as District Munsif of Supa on the 28th August 1858, since which time I often requested my transfer to any District below the Ghauts on the Coast, as the water & climate above the Ghauts did not agree with me – But my request was not complied with –

Therefore, & as I suffered very much this year from fever,–as the Zillah Surgeon of Honore, in his certificate dated 17th December 1861, recorded his opinion that I, though able to discharge public duties on the Coast, have been unfitted for further service in a feverish District above the Ghauts,–as I was verbally informed that I could not at present obtain my transfer on the Coast, & as I received Order No. 68 dated 19th Instant wherein I was required to cease performing the duties of my Office to await the orders of Government, and to submit my application for Superannuation Pension in the usual form, I hereby respectfully pray that I may be pensioned–

I solicit that under Clauses 1st & 2nd Section 5 of the Pension Rules I may be allowed a pension of 70 Rupees being a moiety of my pay–

I request that I may be allowed to draw the amount of pension from the 20th December 1861, through the Collector of South Canara, at Mangalore, where I intend to reside–

In the course of my public career, from October or November 1853, I believe, I was under suspension for about 13 months in consequence of certain charges got up against me by my enemies (without a complaint being brought) to the effect that while holding the office of District Munsif of Bantwal, I contracted debts and received bribe from suitors–

On an enquiry into the case, the Court of Sudder Adalat dismissed the charges as unworthy of credit and declared them to have been the result of combinations and machinery of my adversaries. The Sudder Adalut accordingly passed an order on the 23d November 1854 directing my restoration and the refund to me of my pay for 13 months– Agreeably to this order I was restored to my Office and received the pay– On the 20th January 1855 the Sudder Adalat again passed an order observing that they were confirmed in their belief which had already been recorded, as to the falsity of evidence adduced against me, and that my enemies had an opportunity to trump up the charges and to get up evidence in support thereof because I was suspended from my office for a long time– If the Sudder Adalat orders be called for from the Civil Court of Mangalore and a reference made to them, it will appear to the Court that I was subjected to inconvenience in consequence of the ungrounded charges which originated from the collusion of my enemies–

I have herewith submitted a statement of my service, prepared according to my memory and the papers in my possession and I beg that the correctness of this statement may be ascertained from the record of the Mangalore Civil & Subordinate Courts–

Signed) Dasappa
District Munsif

Acting Civil Judge

Recd 18th December 1861

I hereby certify, that I have carefully examined Dusappah District Moonsiff of Supah, and that I consider him unfitted by age & debility for further service in the extremely feverish districts above the ghauts - although he might still continue to perform his duty (which as regards bodily exertion I believe is light) in the less feverish and otherwise healthier localities below the ghauts

~~It~~ His bodily infirmity is not, so far as I can ascertain, or judge, the result of his own imprudence.
