I

To

The right honorable
The Governor of Fort St. George
Madras.

The humble petition of Ramarow
late tahsildar of Oottangarai Talug
District of Salem.

Right honorable Lord

Most humbly Sheweth,

The petitioner has been doing duty for a long time up to this, in the service of East India Company and of her Majesty the Queen, and is most able to do duty even for more long time in future. Meanwhile H A Brett Esquire late Collector of Salem having been displeased with the petitioner, that he did not resign his post when he ordered him to do so, at present deceived and forcibly took his resignation and neither he recommended for his proper pension nor he restored his situation back when he is able to do duty for a more long time. He at last recommended for a lesser pension and went away to Madras. Therefore the petitioner humbly requests to present this petition before your Lordship, trusting that he will undoubtedly get justice. The reasons of the petitioner's not consenting for being at present pensioned are as follows.

I. Though the petitioner's length of service is at present 31 years his age is only of 50 years as he was only of 19 years old when first entertained in the Government service.

II The petitioner has a good bodily strength, courage and [illegible] to do his [illegible] for more 10 years.

III. He thinks that the zilla Surgeon too, would not have stated, even in his present letter that the petitioner is unable to do his services.

IV Though his length of service extends for a long time as above, he has not acquired any proper estate and he has a very large family containing 5 or 6 children and some more relatives &c.

The reasons of the late Collector's having forcibly taken the petitioner's resignation without his consent on account of performing his intention are as follows.

I. The late Collector in October 1860, when the petitioner was as Tahsildar of Omaloor, sent him Takeeds 1 stating that the said taluq was abolished and that he is directed to attend the Hoozoor Cutchery, another directing that he should attend the Hoozoor for some Enquiries, an other directing that he is transferred to Oottangara Taluq. At last he sent for the petitioner to the Hoozoor and keeping him on circuit for about 40 days and desired him to resign his post, and request for pension. The petitioner earnestly requested him with the above reasons of his non-consent: who then with a dissatisfied intention and without any written takeed, issued a verbal order to go back to Oottangara Taluq and carry on his duties. He then proceeded to Oottangaray and remained there a year. The said taluq was at that time under the Control of the Head Assistant Collector. When the petitioner has not only performed the Jamabandy Settlement &c. of that year concerning with that office And also made him several reports on the affairs of Police in that Taluq which extends about 60 miles with several Jungles and mountains &c. for which the officer sent him a tacked stating that the report was much satisfactory.

When your excellency came to Salem in the month of August 1861 the petitioner and some other Tahsildars have been sent for to take visit of your excellency, and after taking visit the petitioner was ordered by the Collector to go to his Taluq back like the others. But on the next day the Collector informed him on a written paper that he could not proceed to his Taluq till he again visits him. On the next day the petitioner visited the Collector, who then expressed that he was intending for necessarily appointing the man who is now acting as substitute for the petitioner as Tahsildar and in consequence stated with a threatening voice that he should resign his post, and if he is not willing to do so, he would never recommend him for his pension: for which the petitioner earnestly requested the Collector with above reasons without consent for being pensioned, when the Collector with much displeasure ordered him to go to his duty back, & said that he will consider about him.

The petitioner has received a tacked on the 30th of October 1861 stating that the above man desired by the Collector was appointed instead of him according to the new arrangement ~~[illegible]~~.

From the 25th of that month, the petitioner was engaged with Police Superintendents Captain Hill & Captain Bailey in marking out Police Stations, travelling with them on horse back about 20 miles each day from 6 to 12 O'Clock A M till the 29th of that month and on the 30th of the informed them [illegible] the Tacked and requested permission to go to Hosoor, who hearing this were much afflicted. And on the 14th November he gave charge over to new man and came to the Collector.

Moreover in the above tacked it was mentioned that as the Oottangara Taluq is brought under new arrangement, the Collector does not [illegible] it proper that the petitioner is to be yet the Tasildar of that Taluq and in consequence another man was appointed in his stead, and that he is directed to deliver over charge to that man and attend the Hoozoor.

[illegible] that time no [illegible] tacked stating whether he was abolish, or his name was taken out of the Pay abstract was still this time not issued to him.

As soon as the petitioner visited the Collector on the 11th November 1861 the Collector asked him whether he will retire at that time, resign and much threatened and said that if he would not consent to resign, he can let make him to get no pension, by writing to the Board.

The petitioner immediately presented a resignation which the Collector took and ordered him to go away.

The Collector did not give any final order to the petitioner nor he gave the resignation to be filed but a month [illegible] himself that it was not written in accordance with his intention.

After 10th December 1861 the Collector sent word to the petitioner that he should give another resignation according to his intention: when the petitioner presented another resignation, fearing for the threatenings & forces of the Collector, and undergoing to great compulsion. On the very day the Collector has written letters to the Board of Revenue on account of confirming the new man as Tahsildar of Oottangaray and pensioning the petitioner. While it is just & usual to give [illegible] the petitioner a letter for Zilla Surgeon on account getting a certificate; The

Collector directly sent a letter to the Surgeon and he on the next day stating that he was sick sent for the Surgeon to his place. On the next day the Surgeon sent a peon to the petitioner and sent for him to the hospital, and on looking him laughed at him and asked whether he applied for pension? for which he answered with courtesy, that he did not apply for pension, but the opinion of the Collector was such and he [illegible] explained that he is able to work for more 10 years as he has bodily strength and courage, and requested that he should examine his body and write. He did not afterwards understand what the Surgeon wrote on behalf of him.

The petitioner since five months is waiting at Salem.

The Collector wrote a letter to the Collector of Nellore for some informations about the service of the petitioner in that District, and without waiting for a reply from that Collector, he at the interval of his departure, sent for the petitioner, and more hurrily without well looking on without taking any one of his bodily marks written to the Government for a lesser pension also ~~without~~ stated that there was no mark at all on the petitioner.

The petitioner on the above grounds thinks that the Collector on account of reducing his pension would have written to the Government some bad remarks against him. He therefore most humbly entreats your excellency to hand over him for defining some of the following charges of the few servants who were much kindly treated by the said Collector.

The petitioner was in all the Talugs where was employed by [illegible] strictly carrying on his duties without giving freedom to the wicked and being regular and just to the of good Conduct. He thought that while he was so strict and regular in carrying on his duties without getting any gain, no injustice will happen to him, and with great trust, daring and manliness did not foretell to the native people of Hoozoor, and was not more obedient to them. While he was so strict and regular now the people of irregular disposition would not have spoken against him?

III He defines the character of others

It Remains proper that Tahsildars should have the keys of the talug treasury and the seal thereof in their own custody, they should sign and examine the daily accounts, the receipts and expenditures should be carried on under their continual orders, and that they should be responsible and should execute security for them.

In Salem talug at different times a sum of about Rs 1500 was not been brought to public account and the amount was lost by the Govt. [illegible] when there were three Tahsildars related in that case, among whom 2 men have been appointed as Dy. Collectors in accordance with the good character given to them by the said Collector in the service list, and the third man is appointed on 200 Rs pay as tahsildar under new arrangement.

II. The petitioner has heard that about 20 years ago one Tahsildar in Salem Talug, another in Dharmapoory and another in Namcal have been beaten by the inhabitants.

III. A Tahsildar of Trichengode talug has been committed on a criminal charge.

The following is about the conduct of the few tahsildars who were a short time before appointed.

In Trippattoor in a festival of Brahmins a great number of people leaving Collector together and endeavouring to beat the tahsildar of that place, who escaped from them and concealed himself.

Another Tahsildar of the same Talug in a same festival of Vaniambady caused a number of people to be collected for quarrel and dispute and himself ran away to another place for which charge he was punished by the then Collector.

The very man is now made as tahsildar of 2 Talugs on 250 Rs pay by the same Collector.

One of the Tahsildars was at few times checked by the Fouzdaree, Sessions, and Sub Courts and at present recommended by the Sub Collector to be punished for which the Collector sent him talked stating that he was warned. The man is now a talug magistrate on pay of 175 Rs.

Another tahsildar who was a short time before beaten by a few number of soldiers in respect of supply rice is now a talug magistrate

on Rupees 170-
one tahsildar who was beaten by one of his peons & himself fined by the Collector is now as head quarter Inspector in the Police Department on a salary of Rs 250

The petitioner again describes his own character. He was as Head of Police in 8 Talooks of the Salem District for about 20 years, during which period he was not at all connected with any case as described above. But the said Collector having heard that the petitioner has acquired ~~[illegible]~~ some estates, has recommended for a lesser pension. The petitioner on this subject begs your excellency to permit him to offer some explanations on this &c &c.

Though the petitioner has been employed as Tahsildar for 20 years he had not truly acquired more than some Pettostruk lands of about 100 Rs tax and 2 Common houses, and he has a debt equalling to his estate.

A few men who were before employed under the petitioner on salary of 10 Rs and were since 7 or 8 years acting as Tahsildars have acquired houses worth of 3000 or 4000 Rs and lands producing income of 400 or 500 Rs per annum and several other profits &c.

While such men have obtained good character from the said Collector, it is only the petitioner's misfortune that he was recommended for his lesser pension.

In the period of 20 years when the petitioner was acting as Tahsildar he was only much praised by some of the Collectors but he was not appropriated for any such bad character like the others.

The petitioner moreover humbly craves your excellency to pardon and permit him to express some of his characters during 20 years he has acted.

He at that time has well carried on affairs of Moolkey, Sayer, Marramut, Police and Davastanam ~~for~~ the supply of Military forces &c which were all left in his charge.

He also received a reward of 600 Rs from the Government for having found several articles which were concealed without payment of Sayer tax in the Fusly 48/49.

He has obtained good characters from the District Engineers for carrying on Public works when they were in his charge.

He has obtained testimonials from the Officers of Regiments and Cavalries &c for having provided them with required supplies.

And in the year 1838/39 when he was as Head of Police in Hosoor Taluq he has obtained a reward of 300 Rs from the Commissioner of Mysore Government for having apprehended and caught with several tricks and daring endeavours a prisoner named Chinna Chenga, who had committed several gang robberies & murders &c and concealed himself in a village and who was afterwards transported for life by the Government of Mysore.

He in the same taluq in the year 1838/39 has caught 2 Convicts escaped from the Jails of foreign Districts by the Police servants employed under his orders and sent for rewards of 200 or 100 Rs for each case and paid to those servants.

Almost of the prisoners caught with stolen properties by the petitioner when he was as head of Police have all been punished by the Criminal and Session Courts & the released cases were very few.

No stain was cast to him at all from the Magistrate, & Session, Criminal and Foujdary Courts &c as others.

When the petitioner was acting as head of Police in the Attoor Taluq in which there were many robbers of Koravar caste, he had at night been hiding in the sands of river [illegible] caught plenty of them with several stolen properties and reported them with a narration of those robbers to F. A. Maltby Esqre then the Joint Magistrate in charge of that Taluq, who was much satisfied and pleased with the report.

The petitioner presented a petition with all the above depositions to the Right honourable Sir Charles Trevelyan the late Governor of Fort St. George and having visited him in a Durbar on the 26th May 18 requested him for post of a Deputy Collector, when his Excellency in

Counsel assured him that he will Consider on that subject

When the Collector desired the petitioner [illegible] on the last time, he requested him [illegible] if he was intending to pension him [illegible] should keep him in his employment [illegible] give him final order after he gets an [illegible] for his pension or to take a resignation [illegible] for Tahsildarship and favor him another appointment or a salary equal to [illegible] till he gets the order for which he [illegible] of them.

The petitioner thinks that is not [illegible] profitable for the Government by pensioning a Servant when he is able enough and [illegible] to do duty for a long time and appointing an[illegible] man in lieu of him. He also trusts that the same opinion will meet with approbation of your excellency.

Therefore the petitioner most humbly and earnestly entreats your excellency will be so kindly pleased as to take the above [illegible] into your excellency's kind consideration and to look at the records concerned [illegible] the above, receiving from the Collector of this District and personally seeing the petitioner if required and to protect him either by restoring his appointment back or granting him proper pension.

For this act of Charity, Generosity and benevolence, the poor and humble petitioner and his large family as in duty bound shall ever be grateful and pray.

most humbly requesting your Excellency's
kind pardon I have the honor to remain
Right honorable Lord your
Excellency's most obedient and
humble Servant

I almost doubt the propriety of altering our decision - this man was once dismissed & once reduced and the report of the Collector is not such as to justify the Govt in according to the rules, in giving him his full Pension

To,
T. Pycroft Esquire
Chief Secretary to Government

Sir,

Rama Row, late Tasildar of Uttengiri in this District having applied for a Superannuation pension, I have the honor to submit a Register of application in the amended form 1 as directed in an Extract from the Minutes of Consultation, dated 30th May 1855, with the usual papers 7 required in such cases by the existing 2 orders of Government.

- 1 Register of application.
- 1 List of services
- 1 medical certificate
- 1 Certificate of the correctness of the age of the applicant.

2 Rama Row's total period of service in this District amounts to 28 years 8 months and 10 days. Rama Row states that he served for 3 years and 1 month (i.e. from 19th January 1830 to 18th February 1833) as Head

Gumastah in the Kattai taluq of the Nellore District. I requested the Collector of Nellore, under dates the 3d January and 11th February 1862, to furnish me with a list shewing Rama Row's service in that District, but as yet have not received the list in question. If the statement of Rama Row is true, the total period of his service would be 31 years 9 months and 10 days.

3 During the time of Rama Row's service in this District he was dismissed on the 23d June 1842 on the charge of bribery, but was reinstated in his appointment on the 1st February 1843, by ~~the~~ an order of the Board of Revenue, dated the 12th January 1843, who considered that the charges brought against Rama Row were not proved and directed that his pay for the time he remained unemployed should be paid to him.

4 Rama Row was also reduced in 1853 from the office of Tasildar to that of Taluq Sarishtadar by Mr Phillips, the late Collector of this District. Rama Row was subsequently employed in 1857 as Tasildar by myself, on a general authority given by the Board that Rama Row might be re-employed as Tasildar, whenever the Collector thought proper to do so.

5 I cannot state that Rama Row's conduct has been generally good. He has often exposed himself to blame for remissness in the discharge of his duties, particularly during the last few years of his service; and under such circumstances has not in my opinion a fair claim to receive the full pension that his term of service would entitle him to.

6 I therefore recommend that the

pension granted him should not exceed one third of his average salary, viz. 33 Rupees per month during the last 5 years of his service.

7 As soon as a reply is received from the Collector of Nellore in support of Rama Row's alleged service in the Nellore District, a further report will be sub:mitted to Government.

The Collector of Salem submits the application for Pension of Rama Rau late Tahsildar of the Uttengiri Taluq in his district whose services have been dispensed with in the recent reduction of Establishment —

-vice qualifying for Pension and that he is, under the Rules, entitled to a Pension of a moiety of his salary for the last 5 years.

3 Mr. Brett however reports that the conduct of Rama Rao has not been generally good during his service. He has exhibited much remissness in the discharge of his duties, especially during the later years of his service, and does not therefore possess a fair claim to the full amount of Pension to which he would otherwise be entitled.-

4 It is also observed that Rama Rao was on two occasions dismissed from the Public Service, although he was subsequently re-employed -

Paras 4, 5 (clause 4th) and 8 (clause 4th) Revised Civil Pension Rules-

5 The Government are of opinion that the applicant has not a good claim to the full amount of Pension that, under ordinary circumstances, his length of service would entitle him to; and they resolve therefore to sanction the payment to Rama Rao of a pension of Rs 33 per mensem, or one third his salary, as recommended by Mr. Brett, payable from the date on which he ceased to be employed in the Public Service -
