18 February 1862

I do hereby Certify Karalima Rao
Salt Superintendent of Carpa Division is incapacitated by indisposition from the performance of his duty.

His present state of health is owing to debility and old age, and as far as I am able to judge, not the result of intemperance, or other irregular habits, and I am of opinion that no permanent benefit is likely to result from medical treatment, or relaxation from duties, so as to render him again an efficient Government Servant, and that he is therefore a fit object for Superannuation Pension.

As you are a near relation of
the Sarristadar, & intimately con-
-cerned in the matter of the record,
& perhaps if the alteration was
at first inadvertently made,
as you did not inform me of
it even when the Proceedings.

Kutums &c were sent to the Court
of Circumstances, as required by them,
you are dismissed from your
situation on strong suspicion
that the act took place by your

Sir,

I have the honor to submit
in the prescribed form, an applica-
tion from Kanali Samaras
Salt Superintendent of the Kara-
pa Division in this District,
for a Superannuation Pension.
2. K. Samaras has served
upwards of 28 years in this District,
and is now unfit for further
service from old age and debility.
A Medical Certificate to this ef-
fect is enclosed.

3. His services have not
been continuous, as will be seen

from the entries in Column 11:-

He was on two occasions removed from the appointments held by him, though subsequently re-employed.

In respect to the dismissal of the applicant on the first occasion from the office of Janabinir in the Management Department of the collectors Kacheri, it appears, that the Head Janabinir, one Patti Rayappa, and the applicant were removed in the same case; the restoration of the former individual to the situation of Head Janabinir, was sanctioned by Government as will be seen from the correspondence noted in the margin. of the order of dismissal. He was subsequently appointed the party Sakh Teshkar.

5 The dismissal on the second occasion was by the then Asst. Head Assistant Collector. I forward translate of the dismissal

20th Sept 1843. order. It would not appear that K. Kumaras was put upon his trial. He has previously been suspended by the same officer, for allowing the manufacturers of a certain station, to bring to the platform a larger quantity of salt than they had contracted for. He was two years after wards appointed, by the then Collector a Taluk Teshkar.

6. The applicant has long borne a high character for integrity, and it was mainly on this account that he was

selected in 1857 to fill the post
of Salt Superintendent.

7. It is recommended that
a Pension of one third of salary
drawn by Kanali Samaras
during the last five years,
may be granted to him from
the 15th Instant, on which date
he ceased to do duty.

I have the honor to be
Sir,

N. 197.

Report of the Civil Paymaster
on Government order of the 26th March 1862.

The Civil Paymaster has the honor
to report that the authorized official allowance drawn
by Kavalu Samaras, late Salt Superintendent of the
Rarapa Division on the Establishment of the Collector
of Godavari has averaged for the last 5 years of his service
Rs. 146-15-4 per mensem; and that his service as
verified in this Office extends over a period of 21 years
7 months and 1 day viz:

From 1st April 1826 to 27th November 1827.

" 31st October 1839 to 3rd August 1843.

" 1st October 1845 to 29th January 1857.

" 21st April 1857 to 16th February 1861.

" 4th March 1861 to 14th March 1862.

Samaras's Service between November 1827 &
October 1839 cannot be verified from the records of the
Audit Office, as he was employed in attached Govt. Estates
under the Court of Wards. While so employed he
appears to have been dismissed the service on 23rd June

1834 and reemployed on 31st October 1839.

Mr Purvis states that Samardao was under suspension between 14th August and 19th September 1843 & was dismissed the service on the 20th of the last mentioned month.

For the interval between January and April 1857 Samardao was without employ consequent upon the abolition of the appointment he held, and for the period between 16th February and 7th March 1861 he was absent without leave.

The breaks in Samardao's Service are not included in the above 21 years, 7 months and 1 day.

Under the strict interpretation of the rules Samardao can count as service qualifying for pension only 16 years 2 months & 4 days, viz: from 1st October 1845 the date on which he was reemployed after dismissal, exclusive of the periods he was unemployed; but should Government be pleased to allow his service prior to the above date to count also, he will be eligible to a pension equal to one third of his average salary; otherwise he is eligible to a gratuity equal to five months salary or Rupees 750.

It appears from the fore-
 going papers that though
 the Applicant's services have
 extended over a long period
 of time he has been dis-
 missed from the Public
 Service on two occasions,
 and was also suspended
 once for a short time,
 & lately was absent from
 duty for some time
 without leave, and this

formerly his reports were made every
 weekly & monthly, and this man does
 not appear to have been found guilty of
 any actual offence - It would be
 therefore to be in the hands of the
 Magistrate for further work - I give
 that record convictions for a period of
 a full trial should be regarded more seriously
 than it is.

It strikes me that the Government should
 in the future establish a rule that
 no person dismissed from the service
 should be entitled to re-enter it
 unless he is recommended by the
 Government to do so. I do not
 think that the man is entitled to re-enter
 the service after being dismissed
 and lately absent without leave.

2. ^{Purvis} Mr. Hornbill however ex-
plains that the 1st of these
dismissals was on account
of Sanna Nao's supposed com-
plicity in a fraudulent al-
teration of dates in certain
documents that were being
forwarded to the Sessions
Court from the Registrar
Office, & in which Petitioner's
relative, the Sanishladar,
was implicated. -

3. The 2nd dismissal was be-
cause a larger quantity of
salt had been deposited
upon the platform in Sanna
Nao's charge than the
contractors had agreed to

supply. - Mr. Hornbill further
adds that Sanna Nao has long
borne a high character for in-
tegrity, and that it was mainly on
this account that he was se-
lected to fill the post of
Salt Superintendent. -

4. The Government under these
circumstances resolve not to en-
force the Rules strictly in
this instance, and they accordingly
by permit Sanna Nao to return
the period of his service anterior
to his removal from the Public
Service as qualifying for Pension,
& assign him a Pension of
Rs 48-12 per annum, or one
