Sir,

I am directed to submit for the Orders of the Government of India an application for Pension forwarded by the Collector of Madras on behalf of Narayana Row, lately Sub Magistrate of Ramnad, in his District, who has been found to be incapacitated for further active service by old age and increasing infirmities.

2 The Civil Paymaster reports that Narayana Row can reckon a continuous period of 38-11-0 J. M. D. service qualifying for Pension and that he is entitled to a Pension of half his salary subject to the production of the usual Medical Certificate.

But

But Mr. Levinge states that
the Jillah Surgeon has declined
to certify the unfitness of Nara-
yana Row for any further service,
and explains that he was led to
recommend him for a Pension con-
sidering that he was shewing a
want of activity in the discharge of
his duties, and disposal of the cases
that come before him, for further
employment.

3. The Government consider
that it is not advisable to retain
Narayana Row's services longer
and they therefore recommend that,
in consideration of his long service
of nearly 39 years, a Pension of
Rs. 800 per annum, or half his
salary may be conferred upon him com-
mencing from the date on which he
ceased to be employed in the service.
