I Charles Muncey Duff M.D. & Surgeon of the 3^d District
do hereby certify that I have carefully examined
A. Ramachendriah a clerk in the Military Accountant
Office find that he suffers from impaired vision -
Rheumatic pains of back & large joints. And that
his constitution is generally debilitated & worn out
He also suffers from symptoms of confirmed dyspepsia
I am of opinion that medical treatment is not likely
to be attended with much permanent benefit in this
case and that the said A. Ramachendriah is unfit for
Active duty, & that the above has not been caused
(as far as I can judge and to the best of my ability)
by intemperance or irregular habits -

W. W. W.

Respected Sir,

I beg leave most respectfully to inform your honor that on the 5th March 1841 I was admitted in the Military Department of the Accountant General's Office in the capacity of an Accountant on a salary of Rupees 28, by due attention and diligence to my duties and punctual attendance I was promoted from time to time until I have attained my present position Viz^t Head of the Transfer Depart^t.

I beg to state that I have invariably paid great care and attention in the efficient discharge of my duties and had the honor of meeting myself with the entire satisfaction of all my Superiors under whose immediate superintendence and control I have been placed, the fact of which would of course, be apparent to your honor by the enclosed testimonial granted

granted to me by Major S. Gompertz on
the occasion of my being ordered by Mr.
L. S. Stouhouse the late Accountant General
to do duties during the late defalcation
in the Vellore Pay Office.

I am sorry to inform
your honor that since these last two years
I find my constitution growing very
feeble, my natural strength and health
are falling to decay and my vision is
getting very much impaired and my memory
fails, all these circumstances totally incapaci-
tate me for the future effective discharge
of my duties. Under these circumstances I am
compelled to solicit most humbly that your
honor will be pleased to take into your
benign consideration, my long and faithful
services in this Office, and I humbly beseech
your honor to recommend me to Government
for the pension, from 1st May 1862, to which
I am allowed by the Rules of the Service -
Which act of benevolence I shall always
remember with the deepest feelings of gratitude.

I remain

Respected Sir

Your most Obedient and humble
Servant.
