*Proceedings of the Madras Government, Judicial Department,
for the month of February 1860.*

No. 43. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India; to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 30th December 1859, No. 28.

1. I have to acknowledge the receipt of your letter dated 22nd October (No. 40) 1859, transmitting a Memorial from Srínivása Ráu, Tehsildar in the Chingleput District, in which he prays that the salary of his office, from the date of his dismissal to that of his restoration, may be reimbursed to him.

2. In reply I have to observe that the Memorialist has no claim to the full salary of an office, the duties of which he did not discharge; but taking into consideration all the circumstances of the Memorialist's case, I authorize payment to be made to him of a sum equivalent to a moiety of the salary of his office during the period he was out of employ.

3. I approve of your having allowed that period to be reckoned in favor of the Memorialist as time counted towards pension.

No. 44. ORDER THEREON, 7th February 1860, No. 145.

Ordered that a copy of the above Despatch be furnished to Srínivása Ráu in reference to his petition, 30th August last—and likewise to the Collector of Chingleput, who will give effect to the Orders of the Right Honorable the Secretary of State therein contained.

2. Copy of the Despatch will at the same time be furnished to the Offices of Audit and Account.

REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India (Revenue), to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 7th June 1861, No. 41 :—

SIR,

1. I have had under my consideration in Council the Memorial to my address of the 30th November 1860, from Streenevassa Ráu, which was enclosed in the letter from your Government, No. 24, dated the 30th of January last.

2. You will inform the Memorialist that I do not see reason to interfere with your decision in his case, by cancelling the order for his suspension, or by directing his re-employment; and that his application for a pension must be addressed to your Excellency in Council.

3. At the same time, with reference to your allusion to the former charges brought against this individual, I must remind you that the Despatch of the late Court of Directors of the 30th of August 1858, No. 13, and my Despatch of December 30th 1859, No. 28, exonerating Streenevassa Ráu from the charges brought against him, and directing his public restoration to his office, without prejudice to his period of service, were founded on the decision of the Sudder Court which had pronounced him guilty of nothing more than using harsh language to a person who had given him much provocation. I am, therefore, strongly of opinion that this former case should not be permitted to weigh against him in any decision on his pension; and I am inclined to think, that as his Office has been abolished, it is not unreasonable that the two years wanting to complete a service of thirty years should be conceded to him, if your Government do not deem it convenient for the public service that he should be allowed to complete that period in active service.

ORDER THEREON, 18th July 1861, No. 1,432.

Ordered that a copy of the Despatch be forwarded to the Board of Revenue for their information and for communication to the Memorialist.

Order thereon

The Mutor of Madras now submits for final order the application for Pension of C. Srimivasa Rao late Subaidar of the Ultramallik Taluq of the District, whose case has, on former occasions, been repeatedly under the consideration of Government.

2 The Civil Pay Master reports that Srinivasa Rao can reckon ~~only~~ 26.9^{mo} service qualifying for Pension; viz 17.4.9^{mo} in ap. pointment verified by the Memo^r in the Audit Office - 8.9.5 as Devasthanam writer, and 2.7.16 the period allowed to be reckoned as service by the Secretary of State in para 3 of the former of the two Despatches quoted above. - If to this is added the 2 years conceded by the Secretary of State in his later Despatch, a total period of 28 years and 9 months is made up - falling short of the length of service required to entitle an ^{individual} ~~individual~~ to half Pension by one year and three months.

3 The Government are of opinion that Srinivasa Rao's claim to be allowed this additional period of 1.9^{mo}, and to be granted a Pension

of half salary is inadvisable, they consider, however, that the Terms of the Secretary of State's Despatch are such as to render ~~it~~ unnecessary the production of a medical Certificate of unfitness on the part of the Applicant for further service, which was required by the Civil Pay Master in para 5 of his ^{considered requisite} ~~recommending~~ Report.

+ See letter 23rd April para 5.

4 They resolve, accordingly, to sanction the payment to Srinivasa Rao of a Pension of Rs 28.4^{rs}, or the third his salary payable from the date of the receipt of the later Despatch of the Secretary of State respecting his case. -

The evident intention of the Government is to be met by the

and allowed to serve out the remainder of the time required to enable him to retire upon the higher scale of Pension, or, if it was thought inexpedient to pass this, that he should at once be pensioned on half salary. The limit of 2 years service that was in that latter case to be considered being mentioned merely because it then appeared that that length of time was all that was required to complete Simivasa Nani's 30 years service. The terms of the Secy of State's Despatch are also, in the opinion of for^{ts}, such as to render unnecessary the production of medical certificates on the part of the Applicant for further service, and which the Civil Reg. Martin considers requisite in his letter of the 23rd April. para 5.

34 They resolve accordingly to
sanction the payment to L.
Srinivasa Rao of a Pension of
Rs ~~500~~ ⁴⁰⁰ or half his salary - pay-
able from the date of the
receipt of the letter despatched
of the Secretary of State respecting
his case.
