Sir,

I am directed by His Excellency the Governor in Council to ~~forward~~ ^{submit} for the Orders of the Governor General in Council the following case of Rama Rau late Tahsildar of the Chagalmung Taluq of Kurnool which has repeatedly been under the consideration of this Government. ~~He~~ ^{He} was thrown out of employ in October 1860 on account of the Amalgamation of the Taluqs and reduction of establishments that was then being carried out.

2 The Collector of Kurnool stated that he was unable to provide Rama Rau with other employment, and recommends that on account of his very indifferent character

character he should be granted a reduced Pension of Rs. 20 per mensem, instead of the full amount to which he would, under ordinary circumstances, have been entitled.

3 The Civil Paymaster reported that Ram Rau, cont^d reckon ^{29. 9. 12} service, qualifying him for a Pension of One third his average salary on the production of a Medical Certificate of his unfitness for further active service. This however he was unable to do the Zillah Surgeon at Kurnool declining to certify to physical incapacity on the part of Ram Rau for the discharge of his duties. - The grant of his Pension was therefore postponed, and he was permitted to be re-employed in subordinate situations till such time as he might be superannuated in the usual manner.

4 Ram Rau has now furnished the required Medical Certificate. It appears that he has

has remained without employ ever since he lost his situation of Tahildar, and under these circumstances and considering that the proximate cause of Ram Rau's removal from the Public Service was reduction of Establishment and not misconduct on his part the Governor in Council does not deem it a fit case for ~~is unwilling now to furnish him~~ an award of a general pension ~~severely~~ and I am accordingly directed to request that a Pension of Rupees 31-4-0 per mensem, or one third his salary be conferred upon Ram Rau, payable from the date of his obtaining the Medical Certificate.
