I do hereby certify that Pakala-pati Juganadraz Tahsildar of the Old Talook of Lingumparte is incapacitated by indisposition for the performance of his duty.

His present state of health is owing to the result of Asthma, debility and old age, and as far as I am able to judge, not the result of intemperance, or other irregular habits, and I am of opinion, that no permanent benefit is likely to result, from Medical treatment, or relaxation from duties, so as to render him again an efficient Government Servant, and that he is therefore a fit object for Superannuation Pension.

Collectors Office
Juni: 12th December 1861

From

A Purvis Esqr
Collector of the
Godavery District

To.

T Pycroft Esqr
Chief Secretary to Government
Fort St George

Sir,

I have the honor to submit in the prescribed form, an application from Pakalapati Jaganadharaz, Amuldar and Head of Police of the late Taluk of Lingampartí in this District, for a superannuation Pension.

2. P. Jaganadharaz has served upwards of 22 years in this District, and is now unfit for further service

from

from old age and debility-
A Medical Certificate to this effect is enclosed. His services have been continuous with the exception of a period of one year, during which he was under suspension while holding the office of the Daroga of Gutala Division, as shewn in Column 11.

3. Under the rules P. Jaganadharaz is entitled only to a pension of Rs a p 26-8-0, or one third of the amount of the salary drawn by him during the last five years, but there are circumstances attending his case which induce me to recommend that

he

he should be granted a higher rate of pension.

4 P. Jaganadharaz is of the Raja caste, a relative of the former Zamindar of Kottapilli, and during the disturbances among the hill tribes in former years rendered very valuable service to the state. His perfect acquaintance with hills, and the habits of the inhabitants of that tract of country, induced the then Collector and Magistrate, Mr G. A. Smith, at a time when the hill tribes were in a state of insurrection to employ him as Gutala Daroga.

5. When holding this post

he

he was selected to take charge of the hill Taluk of Juddungi, the Chief of which was in arms against the Government, and he acquitted himself so well that the then Magistrate, Mr Prendergast, in his letter to the Chief Secretary to Government of the 20th January 1847 expressed himself as follows. "This improved state of affairs is mainly owing to the reputation of the Amildar Pakalapati Jaganadharauz, a man of tried valour and approved conduct in all his dealings with the hill tribes during the last twenty years. The Government

were

were pleased to confer a reward upon him under date the 11th Instant in consideration of his successful expedition against some of the Rumpa Sirdars. In his present position, honored by the support of Government, he exerts an influence over the Hill Tribes in this District of the most beneficial nature. Whatever measures may be adopted it appears to be desirable that he should retain his authority in Juddungy."

6. Under these circumstances I venture to recommend that as a special case P. Jaganadharauz be granted a

pension

pension of 50 Rupees per mensem from the 1st ultimo the date on which he ceased to do duty.

7. It will be seen that P. Jaganadharaz was under suspension for a year & he was so punished for not having exerted himself so much as he ought to secure the apprehension of a party concerned in a Gang robbery. No suspicion of being actuated by corrupt motives attached to him, and the same officer who inflicted the punishment, not long afterwards selected him to fill

fill a more important post and expressed himself regarding him in the high terms above quoted.

2. The Civil Pay Master reports that Jayaráda Naig can reckon 22"8"2 years service qualifying for Pension, and that he is, under the Rules, entitled to a Pension of Rs 26"8, or one third his salary; but Mr Purvis strongly recommends that the applicant's case be made a special one, and that a Pension of Rs 50 per mensem be granted him as a mark of the approbation with which Government view ~~the~~ his zealous and faithful services.

~~f. Jayaráda Naig~~.

3 Mr Purvis points out that Jayaráda Naig, who is himself a relative of the former Zemindar of Cottapilli, rendered very valuable service to the state in suppressing the disturbances which prevailed in former years amongst the Hill Tribes of his District, and that in 1847 Mr Prendergast then Magistrate in that District ~~having~~ brought his excellent conduct in very favourable terms to the notice of Government very shortly after a reward of Rs 300 had been sanctioned for him by Government in consideration of his successful expedition

F.C. No 36 dated Jany 11-1847

against some of the rebellious Sirdars several of whom were captured

4 On a former occasion Joganaid Naig was suspended for one year on the ground that he had not sufficiently exerted himself in the apprehension of an individual charged with gang robbery. No suspicion however existed against him as to his having been influenced by corrupt motives on the occasion, and he was shortly afterwards promoted to a more important situation than he had held, & the Officer who had punished him expressed himself in the high terms of praise quoted by Mr. Purvis

2

4 The Governor in Council concurs with the Collector in his opinion that the valuable and faithful service of Joganaid Naig renders him deserving of more liberal treatment than he is entitled to under the strict application of the Pension Rules, and resolves, as a special mark of favor, and in accordance with para 7 of the Pension Rules, to sanction the grant to the applicant of a Pension of Rs 40 per mensem or one half of the

salary he has drawn for the last 5 years of his service. —

The post will be temporary and provisional, and subject to the sanction of the Secretary of State. —
