Mallavarapu, Narayanaiah being 52 years old having served Government for upwards of 22 years as is borne out by the accompanying twice repeated, which is also verified by the Records of this office his application (translation of which is enclosed) is recommended for favorable consideration. He is incapacitated for for the active duty as he has been by the accompanying Certificate of the J. M. S. Bellare, and considering that he has been recommended for the lower rate of Pension to which by the rules he is entitled - Moreover the reduction of Revenue Establishments & consequent abolition of applicants office has caused him to be stopped from the public service, and he seems therefore fairly entitled to consideration. In regard to the delay in the submission of this application it is necessary to explain that it is owing chiefly to applicant not having prepared his claim before the 29 October 1851 and for his having afterwards failed to produce the usual Medical Certificate in support of it till the 1st March 1852.	10
