REPORT OF THE CIVIL PAYMASTER.

Service of Applicant as verified by Civil Paymaster.	Average of salary for the last 5 Years.	Remarks.
30-5-21	38-6-11	From 11th October 1831 to 3rd September 1848 " 18th October 1848 to 31st August 1859 " 18th October 1859 to 30th June 1862 C. Ramaswami's Service as Deputy Shroff in the Collectorate of Mallur from 14th March 1825 to 30 April 1828, and from 13th May 1829 to 26th July 1831, was in grades which not qualify for Pension - For the interval between 30th April 1828 to 13th May 1829, he was out of employ consequent upon a reduction in the Collector's Establishment, and between 26th July & 11th October 1831 he was also out of employ having resigned the post he held in the first mentioned month - Between 3rd September and 18th October 1848 he was out of employ under circumstances explained in column 17 of the Register of application - For the interval between 31st August & 18th October 1859, a period of 1 month & 17 days, Mr. Elliott states that C. Ramaswami was under suspension - Ramaswami's Service from 11th October 1831 to 3rd September 1848 is included in the period given in the 1st column, as he does not appear to have been dismissed the service for misconduct such as, under the orders of the Government of India dated 28th June 1860 No. 5765 (para 9), would debit his reckoning that service towards pension - Under this view of the case Ramaswami is eligible to a pension equal to a moiety of his average salary - But should Government think differently he will be eligible only to a gratuity equal to 4 months salary or Rs 140-0-0.
